

Pros Give Good Exhibition Of Speed and Fancy Skating

Work of Trick Skaters Especially Good—Lamy Counts Highest in Points During Two Days' Events

The trick and fancy skating given by Miss Hilda Ruckert, Miss Gladys Lambie and Norval Baple in connection with the professional skating meet at the Arena last evening was a treat to the large crowd present. The first one to appear was Baple, dressed in a black and white costume with feathered hat that went well with his act. Miss Ruckert gave an exhibition similar to that given at Lily Lake during the amateur meet. Probably the best part of the evening's programme was the dual act put on by Miss Lambie and Baple and the crowd showed their appreciation of something very unusual by the loudest applause given at the meet.

Edmund Lamy, of Saranac Lake, clinched first place in the meet by taking first in the five mile and second in the 440 and three-quarters. His point total was 180 for the two nights. Bobbie McLean of New York was second with 180, winning the 440 and three-quarters, and coming second in the five mile last night. McGowan came third in the meet and Staff fourth. Owing to injuries received when he fell on Wednesday, Staff was out of the running last night, trying only the three-quarters and being forced to drop out in the last lap.

While the times for the various distances were extremely good, there was a good deal of doubt that the actual distances had really been skated. Summary: 440-yard—First, Bobby McLean; New York; second, Edmund Lamy; Saranac Lake; third, Everett McGowan, St. Paul. Time, 28.2-4. Three-quarter mile—First, McLean; second, Lamy; third, McGowan. Time, 1.29-2-5. Five mile—First, Lamy; second, McLean; third, McGowan. Time, 15.31-1-4.

400 Boys to Study In Floating School

Project Sponsored by Son of Coca-Cola Magnate

Baltimore, Feb. 23.—Asa G. Candler, Jr., son of the millionaire coca-cola king of Atlanta, Ga., has completed arrangements for conversion of the former army transport Logan into a sumptuous "floating school" for 400 boys. The work will be done by the Bethlehem Shipbuilding Corporation. The Logan was due to leave her berth at Curtis Bay and proceed to Sparrows Point, where she was to be met by Mr. Candler, Prof. Zebulon Judd, dean of the school, and survivors of both the American and Lloyd bureaus. She immediately will be surveyed and classified and turned over to the shipbuilders for reconstruction.

With 400 boys, a large faculty, a crew, managers and clerks of the various departments, the school will operate under the name of the Candler Floating School, which will set sail on Sept. 15 on her initial voyage. She will complete her combined school term and voyage June 10, 1924.

Mr. Candler said that the school is not a philanthropic foundation. It is a purely business proposition and only men of means can afford to send their sons through such a course.

"My own son," Mr. Candler said, "and the son of Mr. Howard will be on the first cruise. This expresses my confidence in the scheme."

"The view I take is," Mr. Candler continued, "There are many poor boys who attend schools and buckle down to their work in earnest because they have no other interests. But there are many sons of rich men who have their own and their clubs and find too much to do other than to study. If the rich men's sons are sent to my school they will enjoy themselves, but at the same time they will see that they must concentrate on their studies."

FOUR DIGITS OF THIS YEAR
EQUAL 15, SAME AS 1914

Quidnuncs devoted to numerical problems are evolving portentous inquiries that the sum of the four digits in the number of the present year, 1923, is fifteen, and is thus identical with that of the fateful year 1914, says a Paris despatch. It is suggested, however, that the same total existed "in the uneventful and benevolent year 1903." It was to be observed, too, in 1806, the year of Jena, and in 1815, the year of Waterloo, two years of the utmost contrast in their significance. So it may be that such a coincidence means anything—or, more probably, nothing.

Wanderers Win First.

The Wanderers hockey team defeated the team from the University of New Brunswick last evening in the Hall, by a score of 2 to 1 in the first of a series to decide the City League championship.

U. N. B. to Play Kings.

The play-off for the Summer trophy will be between King's College and the University of New Brunswick hockey teams. It is claimed by U. N. B. that both Mount Allison and Acadia have forfeited their right to play for this cup by turning down the proposed play-off for the leadership of the western section of the intercollegiate league. No word has been received as to the proposal that the game be played in St. John instead of in Amherst.

Clerical League.

In the Clerical League last night on the Victoria alleys, the N. B. Telephone Company took three points from the Canadian National Express Company. The scores were as follows:

	Total	Avg.
Can. Nat. Express Co.	74 78 84 236	78

Archer Cup Game.

In the Archer Cup curling games on the Campbellton ice last evening the home rink defeated two rinks from Chatham in an extremely close game by the score of 28 to 26. Campbellton got a big lead at the start and the visitors were unable to completely overcome this.

Scots Win Their Last Game.

Utica, N. Y., Feb. 23.—In their final appearance in the U. S., members of the Royal Canadian Curling Club, of Scotland, defeated rinks from Utica and Saranac Lake here 19 to 16. Twenty-seven members of the Scottish Curling Club appeared in the local competition. Their tour of Canada and the U. S. began early in January. Most of the visitors sail for home this week. Others are to spend some time in New York and vicinity.

HOCKEY.

Deciding Game Tonight.

The City League hockey programme at the Arena tonight promises to be one of the best of the season, with St. George and the Law School playing what may be the deciding game of the season, and the U. S. and the Trojans battling to keep out of last place. The players on the St. George team will probably be as follows: Harris, Taft, McAvity, Short, Montoth, Doyle, Rathburn, Hall, Earle and others.

ATHLETIC.

Ray's Victory Easy.

Boston, Feb. 23.—The Boston mile trophy was added to the collection of Jole Ray, Illinois A. C., yesterday, when he easily outstripped a fast field at the annual track meet of the Massachusetts American Legion. He finished in four minutes and twenty-six seconds, the fastest time recorded in races for the trophy.

HORSE FINDS WAY TO HOME AFTER 3 MONTHS' ABSENCE.

London, Jan. 30.—(By mail).—Three months ago a resident of Finsbury, near Spilay, Lincolnshire, bought a horse at Boston Market. The animal was taken to Finsbury, where it was put in a field to grass.

Methodist Girls Win.

In a league game last evening the girls' basketball team from the Fairville Methodist church defeated the team from the Church of the Good Shepherd by a score of 16 to 4.

THINKS N. B. AND N. S. SHOULD HAVE REPRESENTATION

J. Howard Crocker Tells Why Maritime Provinces and Ontario Have No Members on the Olympic Committee.

The matter of appointment of representatives from each provincial branch of the Amateur Athletic Union of Canada to the executive committee at its March meeting, according to J. Howard Crocker, national director of physical education for the Y. M. C. A., who is here in his official capacity. He said protests had been registered against the size of the delegation and that Ontario had asked for representation and he thought New Brunswick and Nova Scotia should be represented.

Mr. Crocker's explanation of the smallness of the committee should go to the executive committee at its March meeting. He explained that the number on the committee was limited by the action of the Ontario meeting of the A. A. U. of Canada in Montreal last December. Patrick J. Mulqueen, of Toronto, was appointed chairman and he, realizing that a committee with members scattered throughout Canada would be useless, had picked men representing the various national sports living in the central part of Canada said Mr. Crocker. He explained he had been selected to represent the Y. M. C. A. of A. A. U. of Canada. Captain Thompson representing the rowing associations, W. F. Flindley, vice-president of the A. A. U. of Canada, represented Quebec. W. Tennant, Vancouver, represented the west. M. I. Winnip, Winnipeg, is vice chairman of the committee and Fred Marples, Winnipeg, is secretary. In addition to Judge Jensen, Leithbridge, and Norton H. Crowe are ex-officio members.

MEXICO WARNED OF BIG VOLCANIC ERUPTION SOON

Mexico City, Feb. 23.—"My studies have given me abundant reason to believe that within the next few years there will be the greatest eruption of Mount Popocatepetl that ever has been recorded in the history of the volcano."

Professor Alt, the celebrated Mexican geologist, who is to call him by his real name, Dr. Alt, has won world-wide fame as a geologist and is recognized as an authority on the volcanoes and mountains of Mexico. His name was brought prominently to the fore during the time of the eruptions in 1920, when he had predicted when all others had united in pronouncing the volcano extinct.

Professor Alt, who is forty-six years old, has established his home on the roof of the old Convento de la Merced in Mexico City, which was built some three or four hundred years ago, and is now deserted and crumbling into ruins.

BLUE LAW CRUSADE
ON IN NEW YORK

Nine Arraigned, Four for Sunday Basketball Game, Others in Connection with Theatre Performances.

New York, Feb. 23.—Nine men were arraigned in court on Monday on charges of violating the Sunday closing law on complaints made by officers of the Lord's Day Alliance and the New York Sabbath Committee. Five of the defendants were charged with giving Sunday theatrical performances while the other four were accused of promoting a basketball game at Madison Square Garden on Sunday. The basketball men were taken into court on complaint of the New York Sabbath Committee, which has just joined the "blue law" crusade that the Lord's Day Alliance has been conducting.

The accused all received summonses on Sunday directing them to appear in court. Among them was Martin Schwartz, manager of the Jewish Art Theatre in Madison Square Garden, arraigned before Magistrate McKinnery in Yorkville Court. The summons was served by Patrolmen Schoenfeld and Siegel, who had been sent to the theatre by Police Captain Mason after a complaint had been given by the Rev. Harry L. Bawling, secretary of the Lord's Day Alliance. The policemen reported that the play, which was given in Yiddish, was not a religious performance. Schwartz was paroled for examination on Feb. 28.

Samuel Levy, cashier, and William Mendelsohn, business manager, of the Thaumasthesky Theatre, were arraigned before Magistrate Weil in Essex Market Court. They had received a summons from Cornelius McAnerny, a detective employed by the Lord's Day Alliance, who charged that a three-act musical comedy was presented at the theatre on Sunday night. They were paroled until Feb. 28.

The four men taken into court in connection with the basketball game were Joseph J. Humphreys, manager of the National Winter Garden and Benjamin Mills, manager of Loew's Lafayette street theatre, also appeared before Magistrate Weil in answer to summonses. They were paroled until Feb. 28.
