

## REPORT OF THE SESSION.

---

The Session review the year 1892 with hearty thanksgiving to Almighty God for the manifold temporal and spiritual blessings bestowed upon the congregation.

The attendance upon the diets of Public Worship on the Lord's Day has been large and devout. The numbers waiting upon the administration of the Holy Communion have been exceptionally large, and there is abundant evidence that the liberality of the congregation is on the increase.

Without any external agitation or unusual excitement, there has evidently been a quiet and wholesome and permanent work of grace, resulting in not a few conversions and building up of character for service in the Kingdom of God here and hereafter.

On the evening of Wednesday, the 11th inst., the Session met with the Christian workers of the congregation for the reception and consideration of reports on "Religious Life and Work" from our numerous departments of church activity. Brief and cheering reports, in some instances not devoid of honest criticism, were received and discussed: 1st. From the Session. 2nd. From the Prayer Meetings Committee. 3rd. From the Church Schemes Association, including (a) The Woman's Foreign Missionary Society (no report); (b) The King's Messengers' Mission Band; (c) Sunbeam Mission Band. 4th. From the Sabbath Schools, (a) Central; (b) Oxford Street; (c) London West; (d) Mr. G. W. Armstrong's Senior Bible Class. 5th. From the Ladies' Aid and Visiting Society. 6th. From our large and prosperous Y. P. S. C. E.
