NEW BRUNSWICK & CANADA RAIL. WAY & LAND CO., [limred.]

An extraordinary meeting of this company was held vesterday at the office, Whitehall for the purpose of receiving a report from the directors and committee of co-operation appointed on the 6th of November, and of

The report stated that the committe had against Burnside. had an interview with the Railway Commissioners of New Brunswick and Nova Scotia, and the committee were of opinion that the prospects of tins company sline of railway, or some part of it, becoming ultimately a portion of the intercolonial railway were fair and reasonable, but as the question of Richmond papers publish report that 60,. Richmond papers papers in setting all 60, richmond papers publish report that 60,. Richmond papers publish report that 60,. Richmond papers publish re had an interview with the Railway Commiscoute could not be settled for many months, 000 Federals, with 20 days rations, are additional copies of their issues. Telegraph. the scene a lively and animating appearance. it would be impossible in the meantime to vancing against Wilmington or Kingston. alelay taking such measures as the pressing | Contrary to previous report, Gen. Porter difficulties of the company imperatively de was found guilty by Court Martial, is cashier-bune of the 7th mentions the death of Honmand for the preservation of their property ed and dismissed.

With regard to the outstanding liabilities of Great struggle for Speakership in New vious. He was a graduate of the University the company, the committe found that to York Assembly progressing. Mayor made of Edinburg, and emigrated to Michigan a meet the debenture compons due on the 1st arrangements to prevent outside interferproximo, the sum required was £3,000.—
There were acceptances out to the extent of Federal steamer Columbia ashore at MasonBranch University at Tecumseh. He after tion of the money raised and lent to the con- od. tructors to pay their workmen was accepted at the particular request of the Governor of No confirmation of yesterday's report of eminence as an orator and debator About New Brunswick. There were other debts, movement of Burnside's army.

amounting to £36,161, making a total of Burnside issued a general order on 20th amounting to £36,161, making a total of was urgent and of sufficien ly large amount rific gale. to place the interests of all the parties in a very dangerous position. The above sum Senator Wade re-elected Senator from did not include any further provision for the Ohio; also Doolittle from Wisconsid. completion of the line, nor for the current expenses of the company, nor any debenture day says storm of past three days moderat-interest beyond that due on the lat inst., ed, leaving the roads in the worst possible nor any sum for additional rolling stock, condition. which the committee believed to be absolutely necessary for the due developement of the traffic. It appeared to the committee, therefore, that, unless those difficulties were met by prompt action, steps of a very disassitions character to the property of the committee, pany might be taken by creditors. The commettee, therefore, recommended the formation if practicable, of a new company, to commettee, therefore, recommended the line with St. John, and also with Calais, in the State of Maine, such company to be formed on the basis of abwhich the committee believed to be absolu-ily necessary for the due development of in Potomoc, between Washington and

explained that it was the only course they could adopt, as one of the contractors was endeavoring to obtain power to wind up the company's effurs in a hostile manner, and into the hands of the Yankees again." A long discussion ensued in the course of The Diameter.

BANGOR, Jan. 22.

£20 150, £3,000 of which, being for a por- boro' Inlet. Captain and officers surrender- wards studied law, practised successfully in

habilities of about £63,000 due. The whole inst., announcing the army was about to but here commenced his downward career, of this sum was not wanted immediately, meet the enemy once more, the late brilliant and he sacrificed wealth, position, fame: inbut as the first issue of debentures was ex- actions in North Carolina, Tennessee and tellect, and a generous heart, to Rum! hausted, and there was no balance at the Arkansas rendering the moment auspicious. the morning of the 6th inst, a policemen company's bankers, there were no means of Iron clail Wehauken' arrived safely at found his dead body at the bottom of a basecompany's bankers, there were no means of meeting that portion of the necessi ies which Fort Monroe, having rode out two days terment stairs; and the Coroner returned a ver

Tribune's letter same date confirms the sorbing this company by purchase. The sorbing this company by purchase. The two matter had reason to believe that a plan of that sort would meet with favor from the New Brunswick Government. As the excitagencies of the company would not admit of delay it was obvious that immediate steps must be taken to secure in the interim protection to the property of the company, and with this view the committee recommended of a storm was raging severely.

The Railway,—Lest our readers should be misled by the numerous reports published which have been rife for the past few days, with reference to the Rail way we bave given the published statement securities at 105 to 108, with no business doing; Nova Scotia do. at 105 to 106 at 105 of 106 and an another column. It is not switchly correct with the kind and confiding the formation of any engagement—

Storm sufficient to prevent it:

Gen. Hunter is about to transfer his head quarters from Hilton Head to Brunswick, with this view the committee recommended of any engagement—

Storm sufficient to prevent it:

Gen. Hunter is about to transfer his head quarters from Hilton Head to Brunswick, that the 'Company has become bankrupt, with this view the committee recommended of any engagement of the same period.

The Railway,—Lest our readers should be misled by the numerous reports published and enpublished, which have been rife for the past few days, with reference to the Rail way we bave given the published statement committee the numerous reports published. World's Washington despatch of yesters and enpublished, which have been rife for the past few days. With reference to the Rail way we bave given the published with favor from the published, which have been rife for the past few days. With no business doing; Nova Scotia do. at 105 to 106 with the kind and confiding the receive each way, between the numerous reports published.

The London Times of Saturday. Jan-Newcastle, during the receive preform an advitional trup and the published which h quarters from Hilton Head to Brunswick, that the 'Company has become bankrupt,' an immediate voluntary winding up of the present company, and the appointment of a voluntary liquidator, with power to sell the line to a new company, or otherwise, and in the meastime to profect the property of all parties (including those who might supply plant), as occasion might require.

In the event of the recommendations above made being promptly adopted, the committee had reason to hope that some arrangement of the property of the list that the position to raise money to pay off the list likes, and voluntary winding up of the present season to hope that some arrangement of a trill ahoma despatches 16th say Federals and voluntary winding up of the present season to hope that some arrangement of a trill ahoma despatches 16th say Federals and voluntary winding up of the present season to hope that some arrangement or pay off the liabilities, and voluntary winding up of the present or steamers are intended. The required staging to run in connection with the Railway terminating at Shediac, to cary maisi is so directed, and to be that the Hon. Joseph Howe has been appointed Fishery Commissioners, and that as of the the Hon. Joseph Howe has been appointed Fishery Commissioner, and that as of the the eatier duties of the office do not commissioner. The eatier duties of the Bondholders, among whom, five of the head of the Nova Scotia. Government the head of the Nova Scotia Government throughout the present session to honorably foldil his obligations to his colleagues, his under such rates of the number of the trill head of the Nova Scotia. Government throughout the present session to honorably the foldil his obligations to his colleagues, his under such rates of the number of the number of the profession of the number of the numb mittee had reason to hope that some arrangment might be made with the debenture holders for holding over their coupons for a time.

The Chairman stated that the Committee had several conferences with the directions, and that Mr. Field, one of their olders shareholders, would move the first resolution.

Mr. J Field moved a resolution to the effect that it had been proved to the statisfaction of the meeting that the company could not by reason of its liabilities, continue its business, and that it was advisable to wind up its affairs.

Mr. Maudsley seconded the resolution.
