CENTRAL AMERICA HAS ANOTHER WAR ON HAND

Nicaraguan Forces Invade Salvador and Engage in a Losing Fight.

SAN SALVADOR, Republic of Salvador, June 12.—A force of Nicaraguan filibusters landed at Acajutla, and at once made their way to the town of Sonsonate, where they plundered the customhouse and stole \$20,000 from the local agency of the Bank of Salvador.

Salvadoran troops appeared upon the scene and defeated the invaders, who fled precipitately back to Acajutla, where they re-embarked upon some vessels flying the Nicaraguan flag and made their way out of the harbor.

The entire country is in favor of the government. Thousands of volunteers have offered their services to fight for Salvador and President Figueroa is being generally acclaimed.

MEXICO CITY, Mexico, June 12.—According to a cable dispatch received late this afternoon the Salvadoran army has defeated the invading force which captured Acajutla yesterday and has driven it back to the coast. The cable follows:—

It is reported on good authority that troops are ready to invade Salvador from three sides. According to this information, Generals Toledo and Alfaro on the Honduran border are ready to strike, and General Corea will enter the country by way of Amapa.

WASHINGTON, D. C., June 12.—The Salvadoran minister's advice announced that John Molant, an American citizen, was with the enemy and probably was captured. The troops of the Salvadoran government are marching against Acajutla.

BOSTON STRIKER WANTS TO BE TRIED ELSEWHERE

On Charge of Murder He Thinks a Fair Trial Cannot be Had in Boston.

BOSTON, Mass., June 12.—Attorney representing Lewis Harris, charged with the murder of Michael J. Cunningham, on April 24, applied for a change of venue, in the superior court today. Harris was a non-union teamster and is charged with shooting Cunningham during a demonstration against the strike-breakers in the teamsters' strike.

The change of venue was asked for on the ground that public sentiment in Boston was such that the defendant could not reasonably expect to have a fair trial. He presented affidavits from himself, Harrison Loring, Jr., and J. L. Bowley, master teamsters, all of whom said they were of the opinion that a fair trial could not be had in Suffolk county.

Assistant District Attorney McGoldrick opposed the motion and said it was a reflection on the honesty of Suffolk county jurors which was not deserved. Judge Lawton took the matter under consideration.

GOVT. NOT BLUFFED BY STRIKING MUNICIPALITIES

Clemenceau Warns Officials of the Seriousness of Their Present Stand.

PARIS, June 12.—The government appears to be determined to refuse to accept the resignations of the municipal officers so long as their resignations are not accepted by the prefects and as no representatives of the central government can be appointed to carry on the duties of the officials who have resigned, a deadlock has thus been created, and so long as it continues all municipal acts and works are suspended.

In a letter to the mayors, Premier Clemenceau today warned them of the serious results to the people they represent if the officials carry out their determination not to perform their duties. He said:—

Up to the present the prefects have declined to accept the proffered resignations of the mayors and the premier is trying to arouse the patriotism of the mayors by means of a circular pointing out that the interests of their fellow-citizens are bound to suffer if they persist in their relations with the central government.

In the meantime, the municipalities continue to join the anti-tax strike and altogether some fifty local bodies in the four departments most concerned have handed in their resignations.

Except in isolated instances the strike is merely a form of passive resistance. No disturbances of any kind have been reported among the civilian population, though the attitude of some of the regiments recruited in the south occasions anxiety.

JAPANESE PAPERS KEEP UP THE AGITATION

Are Determined to Force Things to a Crisis If It Can be Done.

TOKIO, June 12.—Several papers this morning print photographs of the wreckage caused by the attacks on Japanese restaurants in San Francisco. This appeal, coupled with strong words describing the sufferings of the compatriots, has further inflamed popular indignation. The Nichi Nichi, commenting on the photographs, said:—

"The situation is doubtless grave and calls for prompt measures on the part of both governments." The Hochi says: "The stage for negotiations has passed and the time for action has been reached."

The paper says further that it does not mean to advocate war but commends retaliation.

WASHINGTON, D. C., June 12.—The Japanese ambassador and his subordinate at the embassy have apparently decided that the best way to prevent the development of further friction between the people of Japan and America is to observe strict reticence as to the San Francisco incident.

It is not possible to confirm the report that he has approved the plans for settling the matter of damages sustained by the San Francisco Japanese during the recent disturbance through a civil suit directed against the municipality, but it is believed that the ambassador would gladly allow the San Francisco incident to pass out of the realm of diplomacy into the quiet waters of the civil courts.

UP TO THE PRESENT THE PREFECTS HAVE DECLINED TO ACCEPT THE PROFFERED RESIGNATIONS OF THE MAYORS AND THE PREMIER IS TRYING TO AROUSE THE PATRIOTISM OF THE MAYORS BY MEANS OF A CIRCULAR POINTING OUT THAT THE INTERESTS OF THEIR FELLOW-CITIZENS ARE BOUND TO SUFFER IF THEY PERSIST IN THEIR RELATIONS WITH THE CENTRAL GOVERNMENT.

IN THE MEANTIME, THE MUNICIPALITIES CONTINUE TO JOIN THE ANTI-TAX STRIKE AND ALTOGETHER SOME FIFTY LOCAL BODIES IN THE FOUR DEPARTMENTS MOST CONCERNED HAVE HANDED IN THEIR RESIGNATIONS.

EXCEPT IN ISOLATED INSTANCES THE STRIKE IS MERELY A FORM OF PASSIVE RESISTANCE. NO DISTURBANCES OF ANY KIND HAVE BEEN REPORTED AMONG THE CIVILIAN POPULATION, THOUGH THE ATTITUDE OF SOME OF THE REGIMENTS RECRUITED IN THE SOUTH OCCASIONS ANXIETY.

THE SITUATION IS DOUBTLESS GRAVE AND CALLS FOR PROMPT MEASURES ON THE PART OF BOTH GOVERNMENTS. THE HOCHI SAYS: "THE STAGE FOR NEGOTIATIONS HAS PASSED AND THE TIME FOR ACTION HAS BEEN REACHED."

THE PAPER SAYS FURTHER THAT IT DOES NOT MEAN TO ADVOCATE WAR BUT COMMENDS RETALIATION.

WASHINGTON, D. C., June 12.—THE JAPANESE AMBASSADOR AND HIS SUBORDINATE AT THE EMBASSY HAVE APPARENTLY DECIDED THAT THE BEST WAY TO PREVENT THE DEVELOPMENT OF FURTHER FRICITION BETWEEN THE PEOPLE OF JAPAN AND AMERICA IS TO OBSERVE STRICT RETICENCE AS TO THE SAN FRANCISCO INCIDENT.

IT IS NOT POSSIBLE TO CONFIRM THE REPORT THAT HE HAS APPROVED THE PLANS FOR SETTLING THE MATTER OF DAMAGES SUSTAINED BY THE SAN FRANCISCO JAPANESE DURING THE RECENT DISTURBANCE THROUGH A CIVIL SUIT DIRECTED AGAINST THE MUNICIPALITY, BUT IT IS BELIEVED THAT THE AMBASSADOR WOULD GLADLY ALLOW THE SAN FRANCISCO INCIDENT TO PASS OUT OF THE REALM OF DIPLOMACY INTO THE QUIET WATERS OF THE CIVIL COURTS.

MONCTON HOSPITAL HOLDS ANNUAL MEETING

The Year Has Been a Most Successful One
—New Nurses' Home Established.

MONCTON, N. B., June 12.—The general hospital held its annual meeting tonight. In last year at the hospital 307 patients were treated, 157 males and 150 females. Of these 221 were for surgical treatment and 76 for medical. There were 212 paying patients and 95 not paying, 355 were discharged cured, 8 improved, 4 not treated, 4 incurable, 2 left against advice, 21 died and there are now 13 patients. Of the paying patients there were 94 from the city, 95 from the county, 37 from Kent, 10 from Albert, and 7 from other places. The city contributed 10 non-paying, the county 26, Kent 15, and Albert 3. The year was a most successful one, the establishment of nurses being effected, the hospital taking possession of a home free of debt through the efforts of the ladies' aid, and donations. Cash receipts during the year were \$10,818.75, and expenditures including deficit from last year of \$744.88, were \$11,563.63, overpaid \$774.87. Expenditure, over three thousand more than last year, is largely due to the purchase of the nurses' home. There is outstanding about \$503 from patients who have not paid. Three retiring directors, Messrs. Sumner Harris and Rayworth were re-elected, and officers elected as follows: President, J. S. Rayworth; Vice President, Geo. B. Willet; Treasurer, H. H. Jones; Secretary, H. E. Hamilton, all re-elected.

MOTHER BIRD'S REVENGE

Threw Nest-Robber Down Cliff 600 Feet High.

NEW YORK, June 12.—The Herald has received the following despatch from Colorado Springs, Col.: Frank Schreiber, of this place, is badly injured as a result of a fight with a mother eagle, whose young he stole from a nest on the side of a precipice six hundred feet from the valley below. Schreiber discovered the nest while on North Cheyenne Canon, 180 feet from the top of the precipice. He descended to the nest by means of a rope. When he seized two of the young birds the mother swooped down on him and fought him with all the strength of her maternal instincts could inspire. Schreiber used a pistol with poor effect and soon the rope which held him was clawed until it snapped and Schreiber rolled down the almost perpendicular cliff for a distance of six hundred feet. That he was not killed was due to the fact that at intervals projecting ledges broke the force of his fall.

DOG'S ANTICS CAUSED YOUNG WOMAN'S DEATH

BOSTON, Mass., June 12.—Miss Ann G. Withersell, aged 25 years, who was shot in the head last Sunday night during the playful antics of a pet dog at the home of her sister, Mrs. Joseph E. Hayden, in Braintree, died tonight at a local hospital. The peculiar fatalism was declared an accident by the police, who investigated the circumstances. Miss Withersell was sitting in a room in her sister's house Sunday evening while one of the inmates was playing with the pet dog. The animal was chasing a ball across the floor, when he bumped against a loaded shotgun hanging against the wall, knocking it down. The buckshot, with which the weapon was loaded, entered the young woman's head, rendering her unconscious, in which state she lingered until her death, late today, at a hospital in this city, where she was removed immediately after the accident.

FOUND GUILTY ON CHARGE OF OPENING A SAFE

A Hard Ticket on Trial at Truro—His Past Has Been by No Means Creditable.

TRURO, N. S., June 12.—At 11.15 tonight the jury in the case of Kaneby brought in a verdict of guilty against him as one of the Denmark safe-brokers. Judge Drysdale called the convicted man to be remanded until tomorrow for sentence. Leonard is yet to be tried. James Kaneby is about twenty years of age, he has been repeatedly tried for various crimes, some of theft and other minor offences. In November, 1905, he was acquitted on the charge of stealing dynamite from the excavation for the Truro round house. Later on, one of his companions, a lad named James Spears, who was accused of complicity with him in the dynamite theft, was shot in a mysterious manner. Spears told his father on his death bed, that Kaneby was with him at the time in a secluded part of Victoria Park, but that the shooting was accidental. Kaneby's occupation, if his parents are telling the truth, has been that of peddling silver ware.

COMMITTEE TO INVESTIGATE THE BATH ALMS HOUSE

BATH, Me., June 12.—Following the report given by a special committee of the board of aldermen last night describing the conditions at the city alms house as filthy and generally wretched, both branches of the city government appointed a committee at a special meeting tonight, to make a very thorough investigation of alms house affairs. This committee consists of Mayor George E. Hughes, Aldermen John H. Morse and Whitney B. Knight, with President Small and three other members of the common council. It was also voted to expend a sum not exceeding \$2,500 for improvements at the alms house, and another committee was appointed to expend the money. There was very little discussion at the meeting regarding the charges made by the report of the aldermanic committee.

PORT ERIE, June 12.—The main building in the Canadian Shipbuilding Co.'s million dollar plant on the Niagara River shore, was destroyed by fire last night. The loss was \$250,000, but wind kept the flames from spreading to the big power house, planing mill, a million feet of lumber, besides several other buildings, and the docks where several ships were tied.

Bishop Revere of Mackenzie River has been elected by Archbishop Sweetman as assistant, and today the Anglican Synod of Toronto voted a grant of two thousand dollars yearly and travelling expenses for the assistant's salary. The proposal to elect a Conductor Bishop was voted down.
