MOUNT ALLISON DEFEATS ACADIA

General Public Not Ad- Defeat West Side mitted - Play Close Throughout

SACKVILLE, N. S., Feb. 26.—Mount Allison, 4, Acadia, 2, was the result of the intercollegiate hockey match here this evening. The game was played before a small crowd owing to the fact that the general public were not admitted, but those who were present got their money's worth. The play was close though Mount Allison had the advantage. McKay began scoring early in the first half, when he made a splendid rush three-quarters of the length of the ice. Then McDougall got two. Final Race in City Championships Takes Place Monday

Considerable interest is being shown among followers of skating in the city in the mile event in the Victoria Rink on Monday evening, which will mark the final of the championship series. Judging by the present standing of the competitors the winner will have to make a record.

The standing in the series was given to The Sun last evening. It is as follows:

440 yards, Marathon sports—F. Logan, first; E. Wright, second. Time, 402-5 seconds.
880 yards, Feb. 15—W. Evans, first;

In an eight rink match yesterday, the Thistle curlers proved their superiority over the Carleton club by a score of 147 to 115. Six out of the eight Thistle rinks came out victorious. Both rinks were occupied with the games, four rinks playing in the afternoon and four in the evening.

On Carleton ice in the afternoon W. O. Dunham of the West Side club defeated his Thistle opponent, M. G. B. Henderson, by a score of 15 to 11. President Chesley, however, found little difficulty in defeating Charles Coster, having ten points to the good.

At the end of the play on the Carleton ice in the afternoon the Thistles led by six points.

On Thistle ice in the afternoon J. Fred Shaw defeated E. R. Tapley by a score of 20 to 8, while J. S. Malcolm, the other Thistle skip, also captured his match with I. M. Wilson, the score of qualify for the championship.

Logan will have to finish in third position to qualify for the championship The two skaters would then be on
