the most peperate cose of rheumatism.

Three or four bottles are warranted to cure the worst case of scorfula.

A benefit is aiways experienced from the first bottle and a yerfect cure is warranted when the above quantity is taken.

Reader, I have peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in everycase. So sure as water will extinguish fire, so sure will this cure humor. I have never sold a bottle of it but that sold another; after a trial it always poaks for itself. There are two things about this herb that appear to me sueprising; first that it grows in our pastures, in some places vuite plentful, and yet its value has never been known until I discovered it in 184 — second. that it should cure all kinds of humor. In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold abiut six bottles per day—in April, 1334, I sold over one thousand bottles per day—in April, 1334, I sold over one thousand bottles per day of it.

unanimously approved. The vacarcies in the Board were then filled up; and after special votes of thanks to the Directors at the Head Office and Branches, and the Agents, Medical Officers, Manager, &c., the meeting was over like it. There is the strictly from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wenderful virtues have been found in it that I never sus the strictly of the strictly o

Radway's Regulating Pills. Dr. Radway & Co. have recently discovered a method for extracting from coots, herbs, plants and gums, a nutritious extract of such wonderful neurishing power—which they have combined with Radway's Regulating Pills—that six of these Pills will supply the blood with the same amount of nutrition as one ounce of ordinary bread; so that, while the system is undergoing a thorough physicking, and regulating process, it daily becomes strengthened.
