The TRUEST PRIEND

BY CHARLES SWAIN

There is a triend, a secret friend,
In every trial, every grief,
To cheer, to connect, and delend,
Of all sie ever had the chief—
A friend, who watching from above,
Whome er in Error's path we read.
Swil sought no with repraving love.
That friend, that secret friend, is God.

Phyro is a friend, a faithful friend, fit away chains and change of fale. Whose boundless lave duth solves send. When other friend-lipse comes too into A friend, that when the world decrives, And wearly we onward plad.
Sail comforts every heart that givess:
That true, that rainful friend, is Gop.

Still comborse every heart that greeves.
That train, that initial friend, is God.
How bleet the years of life might dow.
In one anchanged, anishakon trast:
It man his trait would only know.
And love his Maker, and be just!
Yes, there is a friend, a constrat friend.
Who is not referred the lovelier soil.
But in each need. His hand doth lend;
That friend, that tracet friend, is fron!
Unitary of this beat the powline soil.
He is not even need. His hand doth lend;
That friend, that tracet friend, is fron!
Unitary of this beat by the sileon called a high it dometries for the purpose. This lightest of, to use a mark common term, this heard of the ansatz of the ones has been employed to assist in giving additional strong his doe works of human construction.
If his town of Buffelord, in Devensive, there is a ring bridge, of twenty four arches, across the ring bridge, of twenty four arches, across the XI this bridge the hid flows so capilly, that it cannot be kept in repair by moster. The Corporation interfaire, keep busts in employ to bring mississ for the third party of the first mental with those missels. It is supported from hong driven wany by the ride entirely by the strong broads those missels. It is a crime holde to transportation, for any person to remove these missels, increasing tracted and the presence and by the consent of the corporative frastes.—Faterson's Introduction to Zoo-long.

SANDS'S SARSAPARILLY

The Proprietors submit to the Public the following continued to a piguly temperature sorters, of a curse trade by using their preparation of Sarsaparilla:

Nowever, N. Y., Oct. 6, 1846.

Messer, A. B. S. D. Sands—
Gentilement—Feelings of gratitude induce may to make a public acknowledow—it of the benefit I have derived from the that of the second from the state of the second make for several years been affect if with second gainer and discharge at my throat, man, and ears—and discharge at my throat, man, and they were almost crocomplete sort, and for a long time I was so house that it was with the items of head were almost crocomplete sort, and for a long time I was so house that it was with the items of the discoult peaks there a whitper.

During thus time I had several attacks of piguties and other diseases. I consulted different physicians, and tried various remedies, but tectived his boundary and other diseases. It consulted different physicians, and tried various remedies, but tective distillation of the disease tentiraly to the effect of your valuable inselience. Fig. 20 per socially acquainted with the person above named. I believe her statement to be correct. JAMES M. D. CARL Justice of the Peace.

The following testimonial from the Agent to the value of the Sacaparilla in a case of leptoesy will be read with interest by all similarly afflicted:

Messers A. B. S. D. Sands:

Gents—A man near hera need six bottles of your valuable Sarasparilla for the leptoesy, and has received more benefit from it than all other remedies combined for six vera past. It entered a handleg and foot from a situation that no person would have known they belonged to a human body, as all tond and other diseased parts are all restored to heir natural size and leeling; are entirely belieffed over, and his leptoes cured; he minimids using a few more bottles to permanently extensible his health.
