

MEMORANDUM

To *Mr. McClan* *Chief Clerk* *Department of Indian Affairs*

October

1885

I beg to state that prior to any money being expended for drainage on the Peters Ind. Reserve that a sketch of the localities requiring the drainage with the difference of level between the swamps or marshes and the River should be ascertained by a competent person a Surveyor or Civil Engineer and forwarded to this Dept for approval such plans showing the depths to be excavated & lengths in a tabulated statement.

[Signature]

*For consideration of the
Depy Registrar*

14 Sept 85

To Mr. McGill
