MARITIME PROVINCE HAPPENINGS DAY BY DAY

GREAT IMPROVEMENTS IN GAME LAW OF N.B.

Woodstock April 25.—G. W. Slipp, game warden, was in town on Saturday. He says the forests around here are in splendid condition. During the last season over 13,000,000 feet of merchantable lumber were cut within ten miles of Woodstock. The new game laws go in force on May 1st. Referring to the vast improvement made in recent years in the game laws, Mr. Slipp said that in 1896 the revenue from game licenses was only \$352, while the cost was \$1800. There was no surplus until 1902 when the government had \$1,000; in 1903 the surplus was \$8,000; last year the receipts were \$44,000 and the expenditure \$23,000.

PROVINCIAL PERSONALS.

Rev. F. C. Simpson and Mr. L. H. Lamont have been chosen delegates from St. Mark's Church, Douglastown, to attend the missionary conference in general assembly to be held in Toronto, June 2 to 14. Rev. S. J. McArthur and Mr. E. A. McCurdy are the delegates from Newcastle.

Mrs. James Davidson, of Newcastle, goes to St. John Monday as a delegate from the Church of England W. A. Society to the provincial meeting to be held there.

The many friends of Rev. P. W. Dixon, pastor of St. Mary's Church at Newcastle, will be glad to learn that the physicians at the Hotel Dieu Hospital, Montreal, where he went this week for treatment, report favorably of his condition and are quite hopeful at the present time there is no serious trouble.

James Hamilton, of the firm of Hamilton Bros., Woodstock, will leave early in May for Edmonton, Alberta, his wife to follow shortly afterwards. Mr. and Mrs. Harry Wilson and young son left last week for the same city.

Mrs. Donville, of Hamilton, Ont., is visiting her brother, E. W. Jarvis, manager of the Bank of Montreal at Woodstock.

The Earl of Ashburnham is confined to his residence on Brunswick street, suffering from a severe attack of acute asthma.

Miss Lillian McDonald, who was being spending a few days in the city, the guest of the Misses Ooka and Milbert Lister, left this morning for her home at Washademoak.

Mrs. Murray Ryan, of St. John, is visiting her parents, Mr. and Mrs. Elijah Sison.

Mrs. Douglas Baird left on Tuesday for St. John, where she will spend a few weeks.

Hon. A. E. Arsenault and Hon. J. H. Watt returned to their homes in Summerside by the western train yesterday afternoon.

The many friends of Miss Hazel Stewart, Charlottetown, who has been ill with pneumonia, will be pleased to learn that she is rapidly recovering.

Westfield Beach. N. B., April 25.—The members of the Methodist adult Bible class spent a very pleasant evening together on Monday, when they held their regular monthly social at the unoccupied house belonging to W. B. Stephenson at Hillendale.

The evening was spent in games, music and conversation, and at the close three hearty cheers were given for the host and hostess, Mr. and Mrs. Stephenson.

Mr. DuVernet, Jack, of Wallaceburg, Ont., who had been considering residing and practicing his profession in this community, has decided to locate at Greenwich, and commence his practice about May 1st. This still leaves Westfield without a resident medical doctor, which is much regretted by its residents.

Rev. Craig Nichols, of St. Stephen, arrived here on Tuesday to accept the rectorship of St. James (Episcopal) church. His wife expects to follow next week, when they will take up their residence at the rectory, Woodman's Point.

Dr. D. R. Arnold, of Welsford, who practiced here for a few years recently, is improving rapidly near New York, where he has gone for treatment.

Mrs. I. C. Bowman is recovering from her recent illness at her home, Woodman's Point.

DON'T KNOW WHETHER MR. MCURDY GOT INCREASE

Fredericton, April 26.—Some complications have arisen over last evening's City Council meeting, which formed a topic for conversation at the City Hall today. When the appointment of city officials and the fixing of their salaries was under discussion a motion to appoint J. W. McCurdy city clerk at a salary of \$1200 was put. The salary has been \$650. Ald. Farrell voted in the negative, and Mayor Hooper claims that as nobody voted in the affirmative, he declared the motion lost. The city clerk's minutes show the motion to have been carried. The Mayor stands by his contention that the motion was lost and if he does not recede the motion may have to be formally passed later.

PUBLIC WORKS DEPARTMENT OPENS NEW OFFICE.

Fredericton, April 26.—The Federal Department of Public Works is establishing offices in Fredericton for the district engineer and staff in charge of the department's work on the St. John river and its tributaries in New Brunswick.

J. K. Scammell, district engineer of the public works, is here from St. John today, and is arranging to procure offices which will be occupied until the new post office is completed and then the offices will be in the present post office building.

proceeded on a trip West with his mother, where several other sons are located.

Mr. and Mrs. R. M. Magee, of St. John, who summer at Lingley, are spending a few days at their cottage there.

Mr. and Mrs. Richard Peck and daughter Grace, expect to remove to St. John about first of May to reside.

Miss Fulton, of St. John, spent the week end with her sister at Hillendale, Mrs. James Smith.

Mr. Biggar, B.A., of Montreal, is the guest of Mr. and Mrs. Leander Lingley at "Hillside Home."

At the monthly business meeting of the Methodist church recently held, it was decided to make several alterations and improvements in the building.

CONSERVATIVE CLUB FORMED IN SACKVILLE

(Sackville Post.) A meeting of the Conservative Association of the town and parish of Sackville was held recently to consider the matter of securing a club room and organizing a Conservative club similar to the Conservative clubs in Moncton and St. John. In the absence of the chairman, W. W. Fawcett, presided. A. H. McCready, chairman of the committee appointed at a subsequent meeting of the Association, reported that the committee had made every effort to secure a hall, but up to the present time had failed. Now, however, they had the promise of a hall in one of the new buildings which is under construction on Bridge St. The plans were produced and the matter was discussed at some length. The sentiment of the meeting was unanimously in favor of securing such a hall and also favored the organization of a Conservative club. A resolution was finally passed empowering the committee to continue negotiations, with the object of securing the hall in the new building mentioned. The hall will be 55 feet long and about 26 feet wide, with two committee rooms. It will be finished with hard wood floors, well lighted and ventilated. The entrance will be from Bridge street. The association will take over the hall as soon as it is ready which will probably be the latter part of the summer.

Wednesday evening before adjournment, F. B. Black, M.L.A., spoke of the work at the recent session of the Provincial Legislature, explaining quite fully the more important provisions of the new road act. It may be mentioned that an engineer of experience and training will tour the province looking after the roads.

The bill now before the House of Commons finally becomes law, this province will have \$50,000 to expend on the roads. To this amount the Local Government will add another \$50,000, so that during the present year there should be \$100,000 to expend upon the roads of New Brunswick, in addition to the regular grants which are made from year to year.

Mr. Black pointed out that the idea was to have all the very bad places in the roads, such as the regular grants which are made from year to year.

and would be of a permanent character. The \$100,000 would be expended in this way all over the province and a similar amount would be expended next year and so on until our roads are as they should be.

HALIFAX CUSTOMS COLLECTIONS SHOW GOOD INCREASE

(Chronicle.) Customs collections at the port of Halifax during the fiscal year ending March 31, 1913, showed an increase over the previous year of \$80,697.02. The following comparative statement is for the two years, 1912-1913:

Increase—\$80,697.02.

MRS. BATTY HAVING MORE TROUBLE.

Moncton, April 26.—Mrs. Samuel Batty, who a few days ago laid a charge of assault against her husband and later left for her former home in Riverview, Albert County, has returned to Moncton, and is now in the Municipal Home. The authorities of Hopewell parish claimed that the woman was a non-resident of the county. She was arrested by a constable and sent back to Moncton to be cared for here. Mrs. Batty said she was born in Albert County and spent most of her life there.

NAVIGATION OPENS ON THE MIRAMICHI.

Newcastle, April 25.—Steamer Alex.andra made her first season trip Wednesday morning on the Chatham-Newcastle route. Steamer Dorothy N. made her first trip up the North West yesterday.

Twenty-three years ago one pleased housewife told another her great secret of success—And now over nine hundred thousand home-cooks use FIVE ROSES.

You Don't Know the Taste of Pure Beer Until -

you have tried Schlitz in Brown Bottles.

It is not enough that beer be made pure, it should be kept pure until it reaches your glass.

Light starts decay even in pure beer. Dark glass gives the best protection against light. The Brown Bottle protects Schlitz purity from the brewery to your glass.

The cost of purity exceeds all other costs in our brewery.

We go to Bohemia for hops. One of our partners selects the barley. We go down 1400 feet for pure water.

We scald every tub, keg or barrel, every pipe and pump every time we use it. We even filter the air in which Schlitz is cooled.

Try pure beer. Ask for Schlitz in Brown Bottles.

See that crown or cork is branded "Schlitz."
