Dangerous Condition Relieved Just in
Time By "Fruit-Lives"

MR. F. J. CAVEEN
623 Gerrard St. East, Toronto.

For two years, I was a victim of
Acute Indigestion and Gas in the
Stomach. It afterwards attacked my
Heart, and I had pains all over the
body, so I could hardly move around.

I tried all kinds of medicines but none
of them did me any good. At last,
acting on the advice of a friend, I
decided to try "Fruit-Lives". I bought
the first box last June, and now I am
well, after using only three boxes.

I recommend "Fruit-Lives" to anyone
suffering from indigestion, no matter
how acute. FRED J. CAVEEN.

Constipation troubles you, take "Fruit-

**CITY CORNET BAND
HONORS MEMBERS WHO
HAVE DONNED KHAKI**

At the regular meeting of the City
Cornet Band, in their rooms King St.
east, last night, four of their members
who have enlisted for overseas duty,
were presented with tokens of esteem
by the members of the band. The
presentations were made by P. A.
Hazel, president of the band, and the
soldiers made suitable replies. Those
honored are D. B. Clarke, treasurer,
who received a signet ring; Wm. D.
Connolly, a wrist watch; John Slincy,
wrist watch. The first three members have
become members of the 115th band,
while Mr. McCuskey is with the 140th band.

Since war was declared and the
country called for recruits, no less
than fourteen members of the City
Cornet band have enlisted and each
member was suitably remembered. In
addition to the four men mentioned
above the following members are
wearing the King's uniform: M. Kelly,
bandmaster of the 132nd band; V.
Kelly, S. McBride, J. McCaulough, W.
Waddington, 104th band; J. Darrah, C.
Kelly with the Army Medical Corps in
the first contingent; F. Kilfin and G.
Evans with the 140th.

After the presentations had been
made last evening, the cigars were
passed round and a "social hour" was
spent.

German Statement.

Berlin, May 19.—Via wireless to Say-
ville.—The text of today's German
army headquarters' statement is as
follows:

"Western front: To the west of
the Meuse we captured French trenches
on both sides of the road from
Haucourt to Kanne, extending to the
southern corner of the Canard (Duck-
wood). Nine officers and 120 men
were taken prisoner.

"A new attack by the French
against Hill 304 broke down, with
very considerable losses to the en-
emy.

"East of the Meuse the artillery fire
on both sides increased temporarily
to great violence.

"Airmen on both sides have been
active. First Lieut. Boelcke shot
down his sixteenth aeroplane, south
of Ripont. The Lunville station and
the aerodrome and barracks at Epinal
were bombarded.

"Balkan front: An air squadron at-
tacked enemy camps near Kukulsh,
Caucasia, Mihalova and Saloniki."

Nervous Prostration

Mrs. Conrad Schmidt, R.R. No. 1, Milverton, Ont., writes: "Two
years ago last spring I was run down, had nervous prostration, and
was in a terribly nervous condition. I could not sleep or eat, could
scarcely count the nights that I passed without sleep, and if I did
eat, had sick headaches and vomiting spells. My limbs would swell
so badly that it hurt me to walk. I would jump up in bed, awaken-
ed by bad dreams. In fact, I was so bad, thought I could not live,
and started to use Dr. Chase's Nerve Food without much hope.

"It was not long before I began to improve under this treat-
ment, and I can truthfully say it has done me a world of good. It
took some time to get the nervous system restored, but I kept right
on using the Nerve Food regularly, and gradually gained in health
and strength. I have a fine baby boy now. He weighed 13 lbs. at
birth, and, though my friends were anxious after the condition I was
in, I got over that fine, and now weigh 120 lbs. Before using the
Nerve Food I was a mere skeleton."

The original of this testimonial is on file in our offices for your in-
spection, or you may write to Mrs. Schmidt for confirmation of her cure.
