breath bad, stomach sour
or a cold.

Enjoy life! Live your liver
and bowels to-night and
feel fine.

Tonight sure! Remove the liver and
bowel poison which is keeping your
head dizzy, your tongue coated, breath
offensive and stomach sour. Don't stay
bilious, sick, headachy, constipated
and full of cold. Why don't you get
a box of Dr. Williams' Pink Pills for
pale people? Eat one or two tonight and
enjoy the finest, gentlest liver and
bowel cleansing you ever experienced.
You will wake up feeling fit and fine.
Cascarets never gripe or bother you
all the next day like calomel, salts and

Child Was Nervous, Irritable, Tired Out

She Had No Appetite, and Her Complexion Was Pale and Sallow.

How many parents realize the strain which going to school means to the child who is naturally nervous and of delicate health?

You see them come from the schools daily with pale faces, many wearing glasses, and looking tired and worn. At home they are irritable and do not sleep well at nights and are upset by a little extra excitement.

If they are to grow to healthy manhood and womanhood their systems must have attention now. Such treatment as Dr. Chase's Nerve Food does for their children. This one is a fair sample:

Mrs. Stephen Hartman, Italy Cross, Lunenburg Co., N. S., writes: "My little sister at eleven years of age became nervous, irritable and seemed all tired out. She had no appetite, was

was lifeless and drowsy and her complexion grew pale and sallow. Finally she had to keep her bed and have somebody with her all the time. She was afraid of everything, would get excited and tremble till the bed would shake. As she seemed to be getting worse under the doctor's treatment, mother decided to try Dr. Chase's Nerve Food. After she had used about four boxes, improvement was noticeable and it was wonderful to see how much brighter and stronger she grew week by week. She used ten boxes all together and they cured her. She got fat and rosy and went to school every day with an ambition that she never seemed to have before. I do not hesitate to recommend Dr. Chase's Nerve Food to anyone, for it was indeed wonderful what it did for her."
