A handsome yacht, built at Harbourville, Kings county, for Capt. I. B. Morris, of that place, by Thomas Anderson, of Wand-sor, was launched on July 19. Her dimensions are 43 feet over all, 30 feet on water line, 13 feet beam, 6 feet draught and has an iron keel attached which weighs 16 cwt. Owing to low tides at the time launching, long launch ways had to be laid and the yacht slid 125 feet before reaching the water, an unusually long dis which is to be held shortly in Johannes-
