

The Pick of the Bulb World

All our bulbs are grown for us especially and are personally selected by the James Carter & Co. experts.

Thorough tests, both before exportation, and at the Carter establishment at Raynes Park, London, assure sound, healthy bulbs of the very highest quality. Our Tulips and Narcissus are exceptionally hardy and well suited to the Canadian climate.

Carters Bulbs

unequaled for bowl or bed culture.

The Carter catalogue and handbook "Bulbs" illustrates and describes the choicest varieties of Tulips, Narcissus, Daffodils, Crocus, and many others. It lists all well-known favorites and many exclusive kinds not to be had elsewhere. Complimentary copy on request. Write for it to-day.

Cow Stalls Everlasting

Equip your barn to last a century by fitting it up with BT Galvanized Steel Stalls, and cement floors and walls.

You've seen how quickly old-style wood stalls soak up manure and become unsanitary and unhealthy for the cattle, how soon they rot and break, and how often they must be repaired. You know, too, all the time and trouble and money it takes to be constantly renewing them.

The old way is the *expensive* way. Try the new. Put in BT Steel Stalls, and you'll not have to spend a single cent in repairing your stable as long as you live.

Won't Break, Rot or Burn

We melt down steel rails to get the hard 2-inch steel tubing for BT stalls. They're strong enough to stand the heaviest strain—we guarantee them.

No manure can soak into *steel!* *Steel* won't rot! You can't burn *steel!* BT Steel Stalls will even *outlast your barn.*

Stable acids and moistures do not affect them, for every BT Steel Stall is carefully *galvanized* in our factory. The galvanizing material enters right into the pores of the metal so BT Steel Stalls won't rust. They always look bright and clean in the Barn.

The barn at the Boys' Farm and Training School, Shawville, Quebec, was equipped with BT Steel Stalls three years ago, and has twice burned to the ground. After the last fire, Mr. Mathews, Principal of the School, wrote us: "The contractor, with the permission of the directors, is going to use the 20 BT Steel Stalls again. They have been through fire twice, yet are as good now, except for a few replacements, as when we put them in first."

B.T. Galvanized Stable Equipment

BT Cow Stalls, Stanchions, Bull Pens, Calf Pens, Waterbowls, Columns All of STEEL

Think of the amount of stable work BT Galvanized Steel Equipment saves *in a single year.* It's *always* so easy to keep clean. No cracks or corners on the smooth, galvanized surface to collect dust or dirt. The steel can be washed off in a moment, and the stalls kept *always* free from filth, and disease germs, and vermin, and unpleasant odor. Cows are healthier and give much more and much better milk.

Easy To Install

BT Steel Equipment is very simple to erect in the barn. The Stalls come ready to set up from our factory, and can be put up in a few moments, by tightening the three large bolts on each stall. You can get the whole job ready for the cement in a single afternoon, with only a boy to help you. We send blue-print plans to show widths for cattle stands, gutters, press-ers, etc., so you can build or remodel your whole stable yourself.

Before you build or remodel your barn this year, get our *Free Book*, No. 21, that tells all about BT Galvanized Steel Equipment. See the fine views of modern barns, showing the steel equipment in actual use, investigate every fact for yourself, and learn about every money-saving advantage.

Barn Plan Service Free

Let Betty Bros. help you plan your barn this spring. We'll show you how to build a much better barn than your neighbors have, at *less cost*, how to lay out the stable to be handier for cleaning and to hold more stock, how to light and ventilate it better, and how to frame it more economically. Also, we'll send our valuable book, "How to Build a Dairy Barn."

We'll make careful plans for you, and answer any questions by personal letter. Write us, whether you are building or remodeling, or only making a few changes or additions, for we believe our barn plan service will save you a good many dollars.

NEW COAL OIL LIGHT BEATS ELECTRIC OR GASOLINE

10 Days FREE—Send No Money

We don't ask you to pay us a cent until you have used this wonderful modern light in your own home ten days, then you may return it at our expense if not perfectly satisfied. You can't possibly lose a cent. We want to prove to you that it makes an ordinary oil lamp look like a candle, beats electric, gasoline or acetylene. Lights and is put out like old oil lamp. Tests at a number of leading Universities show it

Burns 70 Hours on One Gallon common coal oil, no odor, smoke or noise, simple, clean, won't explode. Three million people already enjoying this powerful, white, steady light, nearest to sunlight. Guaranteed.

\$1,000.00 Reward

will be given to the person who shows us an oil lamp equal to the new Aladdin in every way (details of offer given in our circular). Would we dare make such a challenge if there were the slightest doubt as to the merits of the Aladdin? GET ONE FREE. We want one user in each locality to whom we can refer customers. To that person we have a special introductory offer to make, under which one lamp is given free. Write quick for our 10-Day Absolutely Free Trial Proposition and learn how to get one free.

MANTLE LAMP CO., 428 Aladdin Bldg., Montreal and Winnipeg, Canada
Largest Manufacturers and Distributors of Coal Oil Mantle Lamps in the World

We Want Men With Rigs or Autos to Deliver

the ALADDIN on our easy plan. No previous experience necessary. Practically every farm home and small town home will buy after trying. One farmer who had never sold anything in his life before wrote: "I sold 4 lamps the first evening, and another says: 'I disposed of 24 lamps out of 24 calls.' Thousands who are curing men's colds the Aladdin just as strongly."

No Money Required We furnish capital to enable men to get started. Ask for our distributor's plan, and learn how to make big money in unoccupied territory.
