S.A.L.'s COLUMN

HOWDY!

We're your Students at Large for the 95-96 school year. What the hell do Students at Large do? Well that hasn't really been defined yet but we're going to make an attempt at it!

First of all this S.A.L.'s Column (Student at large for those who haven't figured it out yet) is for all you students with grievances. Since 'WE', (Rodney & Anoushka) don't have a chance to meet you

all & hear your probs - write and let us know!!

Think of us as your eyes and ears. We'll try to clarify what you don't understand, know, whatever-

We just want you to know **we're here for you!!!**
