Hon. W. L. Mac Kenzie King,
Roxborough Apartments,
Ottawa, Ont.-

Dear Mr. King:

Your telegram received while I was in St. John meeting with Premier Foster and other friends regarding the appointment of New Brunswick representatives on National Committee.

Mr. Foster said he would wire you the names at once, which no doubt you have already received. I think it would be well to have them notified of the meeting from your office.-

With kind regards, I remain

Yours very truly,
