 The company is one
 which would not be
 easily justified on business
 and I have told him
 that the Canadian Govt
 has very lively committees
 staff by referring a number
 former & other applicants.

If however this is not
 the case, & you are able
 to deal with Kogi's request
 on its merits, you may
 happily think it worth this
 to give special encouragement
 to his enterprise, which will
 be successful. In respect of
 the country & small
 settlement. I am of
 course sure that he has
 already had very liberal
