Dear Sir
Re Knowles & Moorejaw
I handed your letter to Mr.
W. W. Davidson & Moorejaw but
he was not very optimistic,
but said he would write you.
He says Mr Knowles is looking
for something out of the Liberal
party & judgeship or something
equally as good. I told Mr Davidson
I thought Knowles chances for any-
thing especially with declining
ages of Pres. was better with the
Conservatives. I think a letter from
you spurring "Davidson" on would
have a good effect.
I was sorry to see Elliott was
in middlesex. but the goal is not
out of sight. Yours sincerely
J. W. Quinn
