Ottawa, June 22, 1908.

Sir,-

Referring to my letter of the 1st inst. again calling your attention to the matter of the preparation of your annual report and asking you to explain the cause of delay, I may remark that you are the only Indian Agent in the older provinces whose report has not yet been received.

Be good enough, therefore, to let me hear from you at once in this matter.

Your obedient servant,

Secretary.

J. Blain, Esq.,
Indian Agent,
