

CONTENTS.

CHAPTER I.

	PAGE
Introduction	1
Field work and acknowledgments	1
Location and area	1
Means of access	2
History	2
Bibliography	3
	6

CHAPTER II.

Summary and conclusions	
General character of region	8
General geology	8
Structural geol.	9
Economic geology	10
	10

CHAPTER III.

General character of the district	
Topography	12
Regional	12
General description	12
Detailed descriptions	12
Surface of the Palaeozoic	13
Present surface of the Pre-Cambrian	13
The pre-Palaeozoic surface	14
Local topography	14
Pre-Cambrian section	16
Lakes and streams	16
Granite uplands	16
Granite domes	17
Troughs formed in the elastic rocks	17
Rock ridges	18
Glacial forms	18
Palaeozoic section	18
Lakes and streams	18
Glacial forms	18
Border zone	19
Climate	19
Agriculture	19
Forest	20
Furs, game, and fish	20
Water-powers	20
The Churchill river	21
The Saskatchewan river	22
	22

CHAPTER IV.

General geology	
Introduction	23
Amisk volcanics	23
Massive greenstones	23
Autoclastics and pyroclastics	23
Schists	24
Relations	24
Quartz porphyry	25
Distribution	25
Lithological character	26
Relations	26
	26
