

**HALL'S  
VEGETABLE SICILIAN  
HAIR  
RENEWER.**

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for

**Restoring Gray or Faded Hair to its youthful color,**

making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands.

**By its use, the Hair grows Thicker and Stronger.**

In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical Hair Dressing ever used, as it requires fewer applications, and gives the Hair a splendid glossy appearance.

A. A. HAYES, M. D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the best PREPARATION for its intended purposes."

**BUCKINGHAM'S DYE**

**FOR THE WHISKERS.**

As our Remedy in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation, which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists.

**It soon restores Faded or Gray Hair to its original color, with the gloss and freshness of youth.**

Thin hair is thickened, — falling hair checked, and baldness often though not always cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied or decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but no harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric and yet lasts long on the hair, giving it a rich glossy lustre, and a grateful perfume.
