## SUMMER FURS

MAY not be just seasonable to talk Furs, but it's sensible when you have the pick from so many handsome garments as we have in rich and costly furs selling at summer clearing prices. The styles are right for next season—at present we are anticipating next season's demands, and our work people are busy getting ready for it. Many a cool evening during the coming season, when a fur lined wrap, a cape, a cape, a ruff, or a collarette will not be amiss, and the prices we are getting for such is about all the argument you need why now is a good time to select.

No better time than now to have fur alterations made.

Coxwell's Red Cedar Moth Proof Bags, 25c. to \$1.25.
