

* Grog for English Sailors.

The grog consists of whiskey and water, and is sufficient to take out of a man all the dampness of a previous four hours' watch. Each man in the British navy is allowed a ration of grog three times a day. If he does not care to take his grog he is allowed the money equivalent. This money equivalent is placed to his credit on the books. It is seldom, though, that one finds aboard British ships with a crew of 600 men more than half a dozen who take advantage of this privilege. It was the practice at one time in the British navy, when men did not take their grog allowances, to throw that allowance which was refused overboard. Sailors who allowed such a valuable article as grog to be thrown into the sea usually heard from it in unmeasured terms from the old blue jackets.

Who Can Dispute It?

Barry's Corners, N.S. Feb. 15, 1890. W. H. COMSTOCK, Brockville, Ont.
Dear Sir:—Dr. Morse's Indian Root Pills are the best selling pill in the market. This is a fact. I speak with knowledge on the subject as I have been dealing in various kind of Pills, and sell more of Morse's than any other. If any one does not believe this, I ask him to write any of my customers about it, or better, still I ask him to try a box and see if he will then use any other. I hope I may always have them. Yours gratefully,
H. M. G. BARRY.

Our Representatives.
