

**THE LISTER MILKER "Follows Nature"  
THE COWS LIKE IT**

• Never beaten in competition. Reproduces as nearly as possible the action of the tongue and mouth of the calf, by its gentle reciprocating action.  
The natural action on the cows teat causes the cow to remain in milk longer and prevents inflammation.

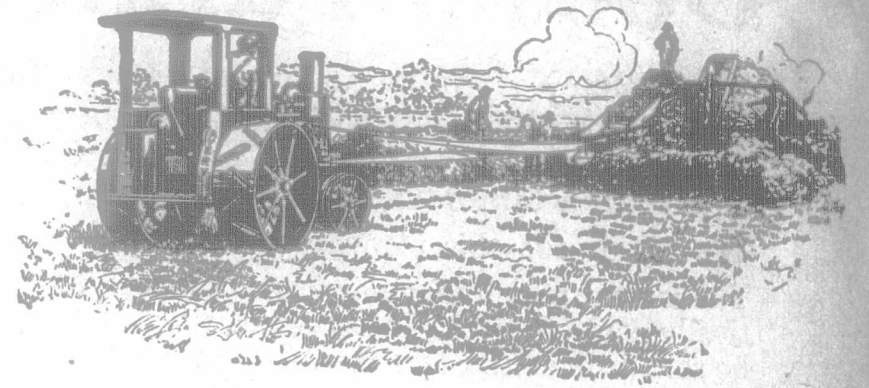

Instal a Lister Milker now, and  
**SAVE MONEY, TIME AND LABOR**

Over 1,000 in successful operation. 360 installed in Great Britain in as many days.

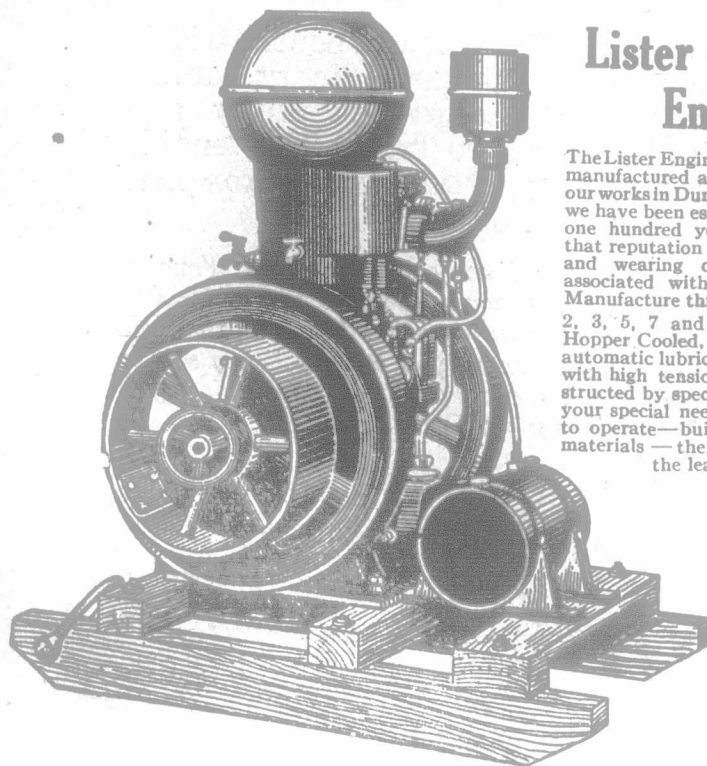

**PLAN YOUR TIME THIS YEAR IN HOURS OF TRACTOR WORK  
INSTEAD OF DAYS OF HORSE WORK.**

A Tractor will enable you to cultivate and seed much more ground than is possible with horses—and with less hired help. When you buy the AVERY TRACTOR you get a machine that has been tried out and proven a success by tens of thousands of farmers in this and other countries. You get a tractor that has been entered in every important contest and demonstration and has been put to the hardest tests. SEVEN SIZES—There's an Avery to suit the size of every farm.

**AVERY TRACTORS**

**Lister Gasoline Engine**

The Lister Engine has been designed, manufactured and standardized at our works in Dursley, England, where we have been established for nearly one hundred years, and maintain that reputation for reliable service and wearing qualities which is associated with goods of British Manufacture throughout the world.  
2, 3, 5, 7 and 9 h.p.—Standard Hopper Cooled, throttle governed, automatic lubrication and equipped with high tension magneto. Constructed by special means to meet your special needs. Simple—easy to operate—built of highest-grade materials—they do the most for the least money.

Let Them Do Your Back-breaking Jobs For Less Than The Cost of Labor

**LISTER GRINDERS**  
Guaranteed greater capacity for size than any others.

**MELOTTE SEPARATORS**  
Over 50,000 in use in Canada.

**LISTER SILOS AND FILLERS**  
A good silo well filled—can be operated by as low as 5-horse power.

Write Dept. "G" for Catalogues giving testimonials and illustrations of our machines in use on Canadian Farms.
