

# Low Vitality Invites Disease

It is the Run-down, Thin-blooded Person Who Falls Easy Victim to Every Ailment Going.

When you feel lack of energy and ambition and are easily fatigued and discouraged, depend upon it your blood is thin and watery, your nerves are exhausted, and your vigor is at low ebb.

It is under such circumstances that Dr. Chase's Nerve Food can be of greatest usefulness to you.

This great food cure possesses restorative and reconstructive powers which are not to be found in any other preparation.

In this regard it is different to any medicine you ever used. Instead of tearing down the tissues, it builds them up, and gives to the body the vigor which is required to throw off disease.

You are invited to test Dr. Chase's Nerve Food by keeping a record of your increase in weight while using it. Gradually and certainly the wasting process is overcome, and week by week new, firm flesh and muscle is added. 50 cents a box, six boxes for \$2.50, at all dealers, or Edmanson, Bates & Co., Toronto.

**GOODS.**  
Messrs. J. Chambers & Sons, Holdenby, Northampton, England, who advertise their Shire horses in this paper, write: "Amongst the noted horses bred by this firm are Wales (6520) and Mona's Prince (9938), noted as being the biggest and heaviest horse ever shown at the London Show. Amongst others used as stud sires are Cheadle Jumbo (3024), a first-prize winner at London and at the Royal Show; Iron Chancellor 14677, one of the most noted of England's sires; Storm Signal 18622; Peleus 15771; Crowland Chief (8578); Motorchos (18938); Duke of Anglesea (19555); Northgate Prince (15762); Winchelsea (14489); Rokeby Plusus (18363); Royal Lancer (19993); Larcher Harold (19752); County Chief (17898); Nailstone Ironclad (7873); Marquis of Hartington (7668). With such a combination of blood, the breeding speaks for itself."

Messrs. Lloyd-Jones Bros., Burford, Ont., write: "Our importation of Shropshires will arrive home about the 12th. It consists of sheep of good quality and fashionable breeding from such flocks as that of Mr. Edward Nock, of Harrington Hall, the farm on which Mr. Mansell bred so many famous Shropshires. Mr. Nock won on pens of ram and ewe lambs at the Shropshire show held at Shrewsbury, which is seldom done by one breeder. He won on pen of ram lambs at the Royal and some other prizes. Mr. J. Harding's flock also won some prizes at the Shropshire show, and was specially mentioned. Sir Walter Corbett's flock and two other good flocks were also drawn from. Those wanting good imported rams should lose no time in seeing ours, as the demand is keen. Some of the animals are already sold and one firm now here waiting for arrival of sheep from quarantine."

Sunnyside Stock Farm, the property of Mr. Jas. Gibb, Brookside, Ont., is located in the midst of one of the best stock and grain-growing sections in Oxford County, and the enterprise and good judgment of its owner has enabled him to build up a herd of Shorthorns, ranking among the best in Canada. Brave Ythan (imp.), one of the Lady Ythan family, heads the herd. His sire was Spicy Baron (77944), a half-brother to the champion bull, Spicy Marquis, and his dam, Lady Ythan 12th, is by Brave Archer (70018), a winner in Great Britain, afterwards sold to E. S. Kelly for \$6,000. Brave Ythan has also such noted sires in his pedigree as Gravesend, Wm. of Orange, Champion of England, and many others, which combine to make his breeding second to none, and for quality he is also hard to equal. Dark roan in color, of thick, compact build, he is just the kind to produce the right sort for present-day demands. In this herd are to be seen several fine imported females, among which is Hawthorn 25th, a dark-roan heifer of great natural flesh, from Luxury, one of the stock bulls used in the King's herd, and pronounced by good judges to be one of the best in Britain. Another that has proved herself exceedingly profitable is Rustic Beauty (imp.). She is just six years old, and has at foot a bull calf, which is her fifth calf. She is by that great sire, Clan Alpine. Lady Scott (imp.), from the same sire, is a very smooth cow, and a regular breeder. Lady o' the Boyne (imp.), by Consul, who was sold to an Argentine buyer at 400 gs., has a fine, sappy bull calf at foot, by Brave Ythan. Among the young things, we noticed a roan heifer calf especially worthy of mention. She is by Brave Ythan, dam Early Bud 6th, by Golden Drop Victor, grandam Early Bud (imp.), said to be one of the largest cows in Canada. This calf is sold to Mr. W. D. Flatt, and will likely be heard from again. The show-yard champion, Spicy Marquis, left his impress in this herd. A couple of fine heifers, by him, were to be seen with bull calves at foot that, although quite young, give promise of being good ones. Another heifer that we must mention is a light roan, Bruce Mayflower, bred almost the same as Prince Sunbeam, the last-year Toronto champion. Mr. Gibb has forty head, all richly bred and in strong breeding condition, among which are several bulls, two ready for service, which promise well. See his advertisement in this issue.
