

CHEAP EXCURSIONS

\$10 FOR ROUND-TRIP TICKETS

To the FAMOUS CARROT RIVER VALLEY

During June and July the Canadian Northern Railway will sell excursion tickets from any station in Manitoba to Melfort and return for \$10.00. Tickets good for 30 days, with stop-over privileges. Tickets may be purchased at any Canadian Northern station, or at our office.

THE CARROT RIVER VALLEY is the most fertile part of the Great Saskatchewan Valley. Two-thirds of the country is open prairie. The soil is a black loam, varying from one to four feet in depth. The running streams in every township furnish an abundance of pure water. The prairies are covered with a rich growth of luxuriant grass. There is absolutely no alkali or stone. These splendid natural conditions have made this district famous for years for its enormous yields of a No. 1 hard wheat and its especial adaptability for diversified farming. Because of the building of the Canadian Northern Railway through this marvelously rich country, giving this district railroad facilities for the first time in its history, this section of Western Canada will be settled quickly and prices will advance rapidly.

FIVE NEW TOWN-SITES JUST PUT ON THE MARKET:

Free Homesteads

Good Free Homesteads of 160 acres each can still be had near railway stations. This year will be the last chance to secure good free lands within a reasonable distance of the railway. Write for maps, printed matter, price lists, etc.
