Girl Shot

Thirteen Year Old Brother Instantly Killed Her.

SAWA, Ont. Sept. 17.— Anne, twelve-year-old daughter of her near Portage, five miles of Papineauville, was shot and killed by a rifle in the hands of fourteen-year-old brother, at their home yesterday. The shooting was accidental. The boy had the rifle which he had been using at his sister, thinking that the weapon was not loaded. The boy, however, happened to have a magazine in it, and when young Cochran pulled the trigger, his sister fell to the ground and upon examination, was found to have been through the heart. Dr. J. W. McKay, of Papineauville, after an inquest, a verdict of accidental death being returned.

It is delightful to see a woman's face more. It is like you been in the wilds, but the girls have been wearing large hats.
