SATISFIED!

The Wright Piano is Held in High Esteem!

We have just received a letter from a customer in the County of Norfolk, who purchased a Wright piano some little time ago—as follows:

"According to the agreement, I find I made my final payment on the piano on June 10th. I must say I have been very much pleased with piano, and it has proven entirely satisfactory in every way."

We are pushing sales of this high-class piano, and for a short time longer will sell them at greatly reduced prices. Now is your opportunity to secure one. Numbers of other customers would speak in the same way as this party. We are selling Mendelssohn pianos, Thomas organs and high-class sewing machines.

PEACE IS NOT
OBJECT OF VISIT
Von Hollweg and Herr Jagow
Both in Vienna.

By Special Wire to the Courier.
Berlin, via London, June 29—Inquiries made in various diplomatic and official quarters tend to confirm the announcement made yesterday by The Frankfurter Zeitung, that the chief purpose of the visit of Chancellor Von Bethmann-Hollweg and Foreign Minister Von Jagow to Vienna, is to discuss the Balkan situation. It is not known here whether Russia's offer of concessions to Roumania included the immediate cessation of part of Bessarabia, but this is understood to have been a part of the Roumanian demands.

WITH QUIET COURAGE.
By Special Wire to the Courier.
Paris June 29—Burgomaster Max of Brussels, interned in the German fortress at Glatz, is resigned to his fate, according to a letter written by him to the Havre correspondent of The Matin in which he says: "I take no merit for supporting my fate stoically. Besides I see in my patience only an application of the physical law that every being adapts himself to the conditions of life imposed upon him by circumstances. I have been shut up now 24 days and captivity has become a normal state for me. The sufferings I experienced during the first weeks following my arrest are lessening more and more."
