## A LONDON DOCTOR

Tells How to Cure Stomach and  
Liver Troubles.A distinguished London physician  
during the course of a recent lecture  
on stomach and liver troubles, gives  
the following advice:—"Be moderate in the use of heavy,  
rich foods. Do not eat hurriedly,  
and thoroughly masticate the food.  
If your habits are sedentary, take a  
moderate amount of exercise before  
retiring and immediately upon arising.  
Do not use strong cathartic  
pills, many of which are advertised as  
pure cures, but in reality do injury  
by weakening the system. If you  
find it necessary to use any laxative,  
stick to the old-fashioned vegetable  
mixture, viz.:—  
Fluid Extract Cascara..... 1/2 oz.  
Syrup Rheubarb..... 1 oz.  
Carriana Compound..... 1 oz.  
Compound Syrup Sarsaparilla 1/2 oz.Take one teaspoonful after meals  
and at bedtime.  
This acts in a gentle, natural way,  
and is free from the weakening  
effects of strong purgatives.  
The ingredients can be bought  
separately, and anyone can mix them  
at home. This information will be of  
benefit to our readers and is worth  
keeping.

## Which is Your Choice?

Sloppy, leaky wooden troughs,  
or clean, durable Concrete?Wooden drinking troughs are about  
as reliable as the weather.They are short-lived and require re-  
placing every few years—not to mention  
continual patching to keep them in repair.The best of wood cannot withstand  
for long, constant dampness and soaking.  
Its tendency to rapid decay soon shows  
itself in leaks and stagnant pools of  
water around trough.Contrast with this the durability,  
cleanliness and well-ordered appearance  
of Concrete.

## CHRISTMAS APPEAL

FOR  
The Hospital for Sick ChildrenDear Mr. Editor,—  
Thanks for your kindness in allowing  
me the privilege of appealing at this  
Christmas time on behalf of the  
Hospital for Sick Children, Toronto.I make this direct appeal to the  
people of Ontario, for the fathers and  
mothers of Ontario, outside the City of  
Toronto, have precisely the same claim  
for their sick children as regards the  
privileges of the Hospital, as parents  
who reside in the city.In brief the sick children from any  
place in Ontario whose parents cannot  
afford to pay, is, on certificate from a  
municipal officer of any city, town,  
village or township, treated free.  
This is a privilege not granted by any  
hospital in the Dominion, or on this  
continent.Let me, in a few words, state that in  
the last 20 years, since 1891, there have  
been 4,731 patients from 150 places  
outside of this city treated free, as the  
parents were unable to pay for treat-  
ment. Last year 384 patients from 234  
places outside Toronto were so treated.The Hospital is not a city but a  
Provincial institution. The Corporation  
of Toronto grants \$18,000, not only for  
city children, but towards the main-  
tenance of every patient in the Hospital,  
and the citizens of Toronto donate an  
average of \$10,000 to the main-tenance  
fund of the Hospital.It would take more space than you  
can spare to tell of the good work done  
for the sick and deformed children of  
this Province.Why, in the Orthopedic department  
in 20 years, nearly 700 children, boys  
and girls, have been treated for club  
feet, and about 600 were corrected.  
Two-thirds of these came from places  
outside of Toronto, from parents who  
could not afford to pay.Surely we have a fair claim for help  
from the people of this Province.  
Every day is Christmas to the child  
whose little life is saved, or whose  
crippled limb is straightened with the  
mercy of money—your money—and the  
mercy of the Hospital.Will you, the reader of this letter,  
think of what your dollar will do? It  
helps to restore health and strength,  
and gives sound limbs and straight feet  
to crippled boys and girls.You give wealth to the Hospital, and  
the Hospital gives health to the  
children.Yes, your money can put golden  
hinges on the door of the Hospital's  
mercy.  
Will you, kind reader, help us and  
send a spare dollar to Douglas David-  
son, the secretary-treasurer of the  
Hospital, or  
J. ROSS ROBERTSON,  
Chairman of the Trustees, Toronto.
