He was driving a heavy load and could not see the train approaching, owing to the curve at this point.

That pain in the Back is Kidney Trouble

GIN PILLS WILL CURE IT

A strain or severe cold, or a dozen other causes may have started it—but the kidneys are at the bottom of it. Backache (especially in the "small" of the back) means Kidney Disease. Plasters and liniments give some relief, but they never cure. Lots of people, with swollen hands and feet, are treating themselves for rheumatism, when, in fact, their sick kidneys are causing the pain and swelling. GIN PILLS cure that pain in the back every time, because they cure the kidneys.

Ottawa, March 17th, 1905. I had the honor of being appointed assistant to the chief artist of London "Black and White" to accompany him three years ago and to help him get pictures of the boxer China to help him get pictures of the boxer China. That is a hard country on the kidneys. I came back very much troubled, and have ever since. My attention was called to GIN PILLS I have taken two boxes, and can positively say that I have never felt better in my life.

If you have tried plasters, liniments and doctors, save your money and try GIN PILLS. FREE. Write us your name and address, and in what paper you saw this offer, and we will send you a free sample box of GIN PILLS. These famous Pills for Sick Kidneys are sold by all druggists at 50c a box, or 6 boxes for \$2.50.

THE REASON.

Why do you call your auto "ah"? Because it is always breaking down at critical moments, reliving the devil most of the time and keeps me "broke."

The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famed medicines leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the facts entering into its composition. This fact alone places Dr. Pierce's Family Medicines in a class all by themselves. They cannot be classed with patent or secret medicines because they are neither. This is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities.

The further fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, nerve regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves.

Not only do Dr. Pierce's medicines contain no alcohol, but they are also free from all harmful ingredients. They are made of pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles resident in our indigenous or native medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient stimulant.

Neither of the above medicines contains alcohol, or any harmful ingredients, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure.

Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent, or secret medicines. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes have any such professional endorsement.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pile" is a gentle laxative, and two mild cathartics. Druggists sell them, and nothing is "just as good." Easy to take as candy.

THE POWER CONFERENCE

Hon. Adam Beck Gives Toronto Price At \$17.50 To \$14.00

POWER WILL BE CHEAP

Toronto, Nov. 15.—Hon. Adam Beck, chairman of the Hydro-Electric Power Commission, yesterday morning made the important statement that electric power supplied to Toronto, from 50,000 down to 25,000 horsepower, according to the quantity required, would not cost the municipality more than \$17 to \$17.50 per horsepower, 21 hour power, and might be as low as \$14 per horsepower. These figures include sinking fund, and are the total estimated cost of electric power to the city. The report of the original commission, were from \$16.53 to \$17.15 per horsepower, but they did not provide for a sinking fund. The latest figures quoted mean power ready to be distributed in Toronto.

An important conference took place in Hon. Mr. Beck's office yesterday morning between the chairman and the executive of the Western Ontario Municipalities Niagara Power Union. Prior to the conference there was an executive meeting in the City Hall, where the outsiders were joined by Mayor Coatsworth. They then proceeded to the Hydro-Electric Power Commission headquarters.

The deputation consisted of the following: Ald. J. H. Fryer, Galt, president of the union; Ald. J. W. Lyon, Guelph, secretary; Mayor Coatsworth, Toronto; Mayor F. Clare, Preston; Mayor John Butler, Woodstock; J. B. Wood, Brantford; D. B. Delwiche, Berlin. Engineer P. W. Sotman and Solicitor A. F. Lobb were also present.

In Session Two Hours. The conference lasted nearly two hours. When it was concluded a statement was given to the press. It was said that the discussion had been as to the details of a proposed bylaw to be submitted to the people, and that, in view of the draft of the bylaw not having been completed, this was all that would be given out about it at present. The conference will resume next Tuesday at 10:30 in the City Hall, when the draft bylaw will be considered.

The statement about Toronto's power was made by the chairman of the commission, who said that the figures of the first commission had been confirmed. He said that London, his own city, would obtain power at a price probably a little lower than \$20.

PROSECUTING THE FISHERMEN.

Newfoundland Government to Issue Writs—British Cruiser's Assurance. St. John's, Nfld., Nov. 15.—A colonial fishery inspector, with the Government's lawyer from St. John's, was to issue writs yesterday for the prosecution of colonial fishermen at Bay of American vessels in fishing operations.

The trials will be conducted at both places in order to demonstrate to the fisher folk what the Government's intentions are. The colonial authorities strongly resent the attitude of the commander of the British cruiser Brilliant, who has assured the fisher-folk that the Anglo-American modus vivendi will protect them.

Miners Turn Down Agreement With Crow's Nest Coal Co.

Pernie, B. C., Nov. 15.—The settlement of the coal strike arrived at by Manager Lindsey and the board members of the union Tuesday night was most unanimously turned down yesterday by the men, and President Sherman and the board members, Patterson and Burke, left on tonight's train to meet President John Mitchell at Minneapolis to further consider the matter.

There is much uneasiness throughout Alberta towns as a result of the scarcity of coal.

Shot By Montreal Footpads. Toronto, Nov. 15.—Richard Grigg of 345 Parliament street, and Mr. Grigg left yesterday morning for Montreal, having received a telegram that their son, Horace, had been shot by footpads in Montreal the previous night.

The young man, who is about 21, was until 18 months ago with the Simpson Co. here, and was sent to the Montreal branch.

It is reported that he was waylaid, and on refusing to give up his valuables, was shot three times.

An Aerial Charged. Winnipeg, Nov. 15.—A sensation was sprung at the meeting of the park board yesterday afternoon when one of the members, John Waugh, accused R. England, superintendent of the parks board, of drunkenness, of taking the laborers and using them for his own work and using his position for his own aggrandizement. He demanded immediately that he be suspended. It was finally decided to hold an investigation.

Mr. Bowden's Body Recovered. Kingston, Nov. 15.—The body of Joseph Bowden, which fell from a skiff Tuesday evening, was found yesterday afternoon on the shore of Wolf Island, about three miles from where he fell in. The body was kept afloat, and proved that death occurred before Bowden fell into the water.

Seven Years For Jansen. Port Arthur, Nov. 15.—Judge O'Leary sentenced Walden Jansen, a Dane, to seven years in Kingston penitentiary for highway robbery yesterday. He, with his brother, had knocked down a man named Money between this place and Fort William and robbed him of \$50.

Social Tragedy

Women Who Brave Death for Social Honor
In the midst of one of the most brilliant social functions of the season, a noted society woman started suddenly from her chair with a scream of agony and fell insensible to the floor.
A few hours later the distinguished physician told her anxious husband that she was suffering from an acute case of nervous prostration brought on by female trouble, and hinted at an operation. Fortunately a friend advised her to try

Lydia E. Pinkham's Vegetable Compound

The result was that she escaped the surgeon's knife and to-day is a well woman.

The derangement of the delicate female organism sets every nerve in the body quivering with pain. Headaches, backaches, torturing baring down pains and dragging sensations make women nervous and hysterical.

Mrs. T. E. Gillis, of Windsor, N. S., writes:
DEAR MRS. PINKHAM:—When I commenced to take Lydia E. Pinkham's Vegetable Compound I was suffering with weakness and female trouble, headaches, backaches, and that worn-out, tired feeling. I have only taken the Vegetable Compound a few short weeks, and it has made me well, strong and robust. Believe that Lydia E. Pinkham's Vegetable Compound is without equal for female troubles.

Mrs. Laura Emmons, President Loyal Home Workers, Walkerville, Ont., writes:

DEAR MRS. PINKHAM:—I am enjoying such good health that I feel it a duty to write and thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered for more than five years with functional troubles, causing an unpleasant discharge and weakness which no amount of medicine, diet or exercise seemed to correct. Your Vegetable Compound, however, reached the root of my trouble, cured me and made me strong, healthy and well. I want to say to every suffering woman, don't dally with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham's advice is free to all. Her address is Lynn, Mass.
