The curling club which was talked of in the earlier part of the winter, has now given place to a snowshoe club, which will probably be organized very soon.

The new rink was opened for skaters for the first time on Friday evening last. The rink was in attendance, and the ice in excellent condition. It is being well patronized by the young people.

We understand that Rev. T. A. Higgins, D. D., has resigned the pastorate of the 1st Horton Baptist church, to take effect April 1st. At that date Dr. Higgins will have been eleven years pastor of the church.

The adjourned examination of Whiting for assault upon policeman Toye while in the discharge of duty, was held at Kenville before Stipendiary Dennis on Tuesday, and resulted in Whiting being committed for trial.

The man who advertises only once a year has no abiding place in the public memory. It is his rival who reaches the public every day, and whose statements are to be relied upon, who achieves the greatest measure of success.

We have been requested by the town clerk to draw the attention of our readers and the public in general to the fact that all rates and taxes must be paid by the 19th inst, to entitle a ratepayer to vote at the municipal election on 5th February.

Have you seen the perfumery window at the Drug Store?

The regular monthly missionary meeting of the College Y. M. C. A., will be held in College Hall, Sunday evening, Jan. 13th, at 8 o'clock. Rev. W. H. Jenkins, B. A., of Granville Ferry, will address the meeting. A cordial invitation is extended to all.

The union meetings of the week of prayer will be brought to a close by a service in the Presbyterian church on Saturday afternoon at 3 o'clock. This will give an opportunity to the children and the aged to share in these interesting services and likely the last meeting will be the most largely attended.

For something in the hair and tooth brush line call at the Drug Store.

It is well known that for some time past the youngest collegiate president in the United States has been B. L. Whitman, of Colby University, who hails from Torbrook, Annapolis county. Shurtleff college now claims the youngest president in the person of Anton DeBelle, a Wolfville boy, recently the president of the Baptist seminary, St. Martin's.—Herald.

On Monday evening of last week Bawan Caldwell was arrested by policeman Toye on a charge of being drunk and disorderly. He spent New Year's day in jail, and on Wednesday morning was up for trial before Stipendiary Crowley, and asked to contribute \$5.00 and costs towards the finances of the town or spend ten days in jail. He paid the fine.

Try a bottle of Bland's Emulsion for that cough and run down feeling. It is a splendid emulsion. Very palatable, easily digested.

Local and Provincial.

The court for the final revision of the Dominion electoral list will be held in Wolfville to-day.

Our content, the *Western Chronicle* began the year under a new management. Mr. H. F. Borden is the present manager and he promises to make improvement in the dress and tone of the paper. The *ACADIAN* extends the right hand of fellowship.

The Rev. G. O. Gates, of St. John, will deliver a lecture under the auspices of the B. Y. P. U., in the Baptist church, on Tuesday evening, 15th inst., subject—"The Reformation; or Struggle for Freedom of Soul." All are cordially invited to attend. A collection will be taken.

A succession of wind and ghostly sounds started the residents in the vicinity of the light station on Wednesday night, shortly after midnight. It was the siren whistle which was being tested as to its efficacy as a fire alarm. While no one doubts the ability of the whistle to emit horrible sounds, there is a question as to whether the sound has enough volume to make it a safe alarm in case of fire.

The Glasgow House is the place to see the latest things in Ladies' Mantles, Jackets, Furs and Dress Goods. See adv.

In the course of a very able sermon, says the *St. John Telegraph*, delivered Sunday by Rev. J. J. Tensdale, of that city, he made allusion to the late Canadian premier, Sir John Thompson. The speaker had attended school with him and had followed his career with surprise and admiration, but it was not at the zenith of fame when stricken down so suddenly that he preferred to remember him. It was rather when amidst the cares and responsibilities of office work that word having reached the premier of his mother's illness, he hastened away to the remote district and tenderly nursed her until life had fled. What a trait of character that had revealed.

Examine the three star nursing bottle. It's perfection. No tubes to clean.

"Winter" and "Summer" were never more charmingly pictured than they are this season on Hood's Sarasparilla Calendar. This calendar is made in the shape of a heart and is ornamented with two child faces, lithographed in bright and natural colors, one peeping out amidst the snow flakes, from a dainty cap, and the other lighted up with all the glory of the summer sunshine. The usual information about the lunar changes and other astronomical events is given, and the calendar, besides being "a thing of beauty" is also useful every day in the year. It may be obtained at the drug-gists, or, if his supply is exhausted, six cents in stamps should be sent to C. L. Hood & Co., proprietors Hood's Sarasparilla, Lowell, Mass., who will forward a calendar free. For ten cents two calendars will be sent.

The remains of the late W. A. Payant were brought to Wolfville on Friday evening last, and were at once taken to the home of his parents. The funeral was held on Saturday afternoon at 2 o'clock. The large number present, notwithstanding that the day was one of the coldest of the season and the roads in a bad condition, attested to the esteem in which the deceased was held. The services at the house were conducted by Rev. Dr. Higgins, assisted by Rev. D. J. Fraser. The members of St. George's Lodge, A. F. & M., then took charge and the beautiful and impressive burial service of that order was held at the grave. The floral offerings were very pretty, handsome wreaths being supplied by St. George's Lodge and Prof. Kerville. Dr. Payant was deservedly popular by all who knew him, and he will be greatly missed by a host of friends.

I AM DYING.

I am dyeing, Edith, dyeing. This of crimson, bright and fast; Shades, too, dark as Pluto's regions, And they cannot help but last. Let me tell you how I do it, Let me whisper in your ear, Diamond Dyes is all my secret; You can do the same, my dear.

Though my clothes get worn and dingy, And with stains are spotted o'er, Though they look as fit for nothing, I can make them good once more. Though I have not many dollars, To expend on garments new, I can dress as well as any, And I know that you can, too.

Let not fashion's servile minions Scorn the garments thus made o'er; 'Twas no dye's hand that made them, I have done the same before. I who took my last year's dresses, Washed and dyed, and pressed and tanned.

Made them o'er for this year's wearing—Gowns for which the heart has yearned. Yes, I'm dyeing, Edith, dyeing; No, you do not need to go; You're not hindered me a moment; 'Tis not hard to do you know. Now, no more one needs to wander How to make their dresses do; When with such a little trouble, "Diamond" makes them good as new.
