ADVENTURES

Mr. C. M. Gormley has purchased from Mr. Hillon Pitt, the fine property on Acadia street occupied by the latter as a summer home. We understand Mr. Pitt will retain possession during the present summer. Mr. Gormley is one of the wise ones who, instead of investing in Western lands buys property in Wolfville.

Did you not let us explain why you should use G. & H. goods? F. O. GODFREY, Hardware.

OF

Mrs. James MacLachlan and family desire, through THE ACADIAN, to express their thanks and appreciation to the friends and neighbors for their kindly attentions during the illness and at the funeral of the late husband and father. In particular, they wish to thank the choir who so beautifully rendered the comforting hymns. He is missed by the departed one for his own interest.

Don't forget that we have the agency for the famous G. & H. goods. F. O. GODFREY, Hardware.

Personal Mention.

Mr. R. M. Harris was in Parrsboro on a business trip this week.

Mrs. B. O. Davidson is spending the week with friends in Parrsboro.

Mrs. Raymond Smith returned this week from a visit to friends in Truro and Amherst.

Miss Edith Thomson, who has been spending the winter in England, returned home last week.

Mrs. Whidden returned on Monday from Parrsboro, where she had been spending some days with her sister, Mrs. McLeod.

Mr. G. M. Peck was called to Hazelton, N. B., this week in consequence of the death of his sister, Mrs. Smith, of that place.

Mrs. N. M. Sinclair, of Halifax was a visitor to Wolfville this week. Her friends will be glad to learn that she anticipates taking up her residence here again shortly.

Mr. Percy Barberie arrived home in Wolfville this week after a long absence. For some time he has resided in Mexico and he describes the conditions there now as pretty bad. His many friends are glad to welcome him home again.

Rev. John and Mrs. Hardy (nee Nina Shaw), missionaries in India, with their two children, arrived in Nova Scotia on Monday and are now at Avonport, the former home of Mrs. Hardy. They are stationed at Palakkad, India. This is Mrs. Hardy's first visit to her native land since her departure for the mission field in 1909.

Visit of Opera Stars.

Lovers of high-class music were given a great treat on Wednesday evening when Miss Evelyn Scotney, the great contralto soprano, assisted by noted stars of the Boston Opera Co., gave a concert in the Opera House. The hall was well filled and the audience showed their great appreciation by prolonged applause. Every number on the program surpassed all expectations and displayed such power and technique as was never before heard in Wolfville. In the group of English songs the sweetness of her voice was very manifest. Miss Evelyn Scotney has a splendid contralto voice which she showed up to good advantage. M. Almeida Ramalho, although suffering from a slight cold, plainly showed that he possesses a remarkable tenor voice. His splendid work in the quartette from Rigoletto was a feature of the programme. The selections by Mr. Howard White, prima donna, were much enjoyed by all present. John Craig Kelley showed by his work at the piano that he was an artist of no mean order. It is to be regretted that owing to the condition of M. Ramalho's throat, the second act of Botto's Opera 'Marta' could not be given.

Mrs. Raymond Smith wishes through THE ACADIAN to express her thanks for kindness extended during the time of the illness and death of her late brother, as well as for floral offerings contributed by friends.

Complimentary Dinner.

The Business Men's Class has closed its sessions for the season and on Monday evening the annual dinner in honor of the leader, Dr. H. T. De Wolfe, was given in the dining hall of the Wolfville Baptist church. There was a large attendance and a very enjoyable time was had. Through the courtesy of Dr. McKenna, pastor of the church, the ladies of the church were the caterers and they performed their duties with all the skill for which they are noted. The tables presented a pretty and tempting appearance, and it is unnecessary to say the gentlemen present gave abundant evidence of their appreciation. After full justice had been done the appetizing viands, Mr. N. H. Parsons, who presided, called the company to order and proposed a toast to the King which was responded to by the singing of the national anthem. Dr. De Wolfe proposed a toast to Dr. De Wolfe, to which the latter responded in appropriate terms. Then followed a toast to the clergy, responded to by Rev. Dr. Gates, Rev. Mr. Miller and Rev. Mr. Rockham; educational institutions, responded to by Dr. Cutler; the town, responded to by Mayor Chambers. Excellent music was furnished by the Men's Choir, under the direction of Mr. A. J. Woodman. After a vote of thanks to the ladies for the singing of 'Auld Lang Syne' brought to a close a very pleasant evening.

Acadia Choral Club.

The best concert this year was the expression heard on all sides after the concert in College Hall last Friday evening. Truly it was an evening of joyous enjoyment. The Acadia Choral Club sang two numbers, O' Canada and 'Gull's and O' Canada' in a manner that reflected great credit on the director, Mr. Carroll C. McKee. Mrs. Cora Pierce, Richmond sang the solo parts in 'Gull's' and her singing was of the highest order. The Orchestra under the direction of Miss Beatrice Langley was at its best and received enthusiastic and well merited applause. The special ones by the Ladies' Glee Club under the direction of Mrs. R. Chalmers were also highly enjoyed. The leading feature of the evening was the singing of Mr. George Kesley, tenor, soloist in the Old South church, Boston, Mass. Mr. Kesley possesses a wonderful voice. It is so beautifully modulated that it reaches the high notes with ease and in the lower register is true and correct. He fairly captivated his audience, bringing forth round after round of applause. Mr. Kesley will always receive a hearty welcome in Wolfville.

How to Secure Best Results from Fertilizers

Basic Slag, in itself is not a complete fertilizer, as it only supplies Phosphoric Acid and Lime. In order to derive the full benefit from the Slag, Potash (and in some cases Nitrogen) must be used with it, since the same underlying principle demands for plants as well as for animals a "balanced ration". In Great Britain the beneficial effects from a combination of Basic Slag and Potash are so well known that the term "Slag and Potash" is one with which every farmer is familiar. Old Country experience with these materials has been amply confirmed by numerous experiments conducted in the Maritime Provinces. We can supply you with all high grade fertilizer materials, Potash, Nitrate of Soda, Acid Phosphate, Basic Slag, etc., at lowest prices. You can mix these yourself at home and save 25 to 40 per cent. in fertilizer cost. Call and see us.

GIN PILLS Brought Relief!
Lester Lake, Ont., March 26th.
I had been suffering for some time with my kidneys and urine. I was constantly passing water, which was very scanty, sometimes as many as thirty times a day. Each time the pain was something awful, and so rest at night. I heard of your GIN PILLS and decided to give them a trial at once. I sent my chum 60 miles to get them and I am pleased to inform you that in less than six hours, I felt relief. In two days the pain had left me entirely. I took about half a box and today I feel as well as ever and my kidneys are acting quite natural again. SID CASTLEMAN.

Good Fruit.

The most successful fruit growers of the Annapolis Valley have for years followed the practice of applying Murrite of Potash mixed with Basic Slag and Bone Meal, or other Phosphate fertilizer, to their orchards, depending on a crop of clover to supply the necessary Nitrogen and Humus.
There is no doubt that the adoption of this ideal system is directly responsible to the remarkable color and quality of Nova Scotia apples, which features have gained for them so many awards and established their enviable reputation in the markets of Britain.
We can supply you with all high grade fertilizer materials, Potash, Nitrate of Soda, Acid Phosphate, Basic Slag, etc., at lowest prices. You can mix these yourself at home and save 25 to 40 per cent. in fertilizer cost.
