is set up that her inaction raises from the consciousness that rates from the possible that the being the foot-ball of politics, the foot-b be successfully dealt with. Manitoba owes to herself to show that the grievance of thich she makes so much is substantial, and not the artificial creation of railway promoters in league with a foreign corporatory. The Educational Journal recently publication which has been evolved from the Educational Journal recently publication which has been evolved from the Educational Journal recently publication of the part from Constantinople instantly. The Educational St. John by Mr. G. U. Hay.

matter very carefully. The present contract would not compromise megotiations relative to a line between Vancouver and Hong Kong.

—Mr. Kamper, agent of the German syndicate who want to get possession of the Intercolonial railway. tween Vancouver and Hong Kong. The government were always anxious to consider most fully the pro-posals of the Canadian Pacific rail have promised to consider it. posals of the Canadian ractic ratt way and the Canadian government. Kamper does not want to purchase but he deprecated pressure being the Intercolonial, but asks that it be given as a subsidy to his company.

Canadian ractic ratt have promised to consider in the control of the camp the company of the state of the state of the company of the state of the company of the state of the stat applied when they wished their hands left free as they were preparing for negotiations with Canada.

The amendment was withdrawn.
Mr. Provand, the liberal member for the Blackfriars district of Glasgow.

The first passenger train passed moved to refer the matter to a select committee to consider the contract and recommend any other service deemed adequate and desirable. The postmaster general defended the contract. He thought any government would have a shore life which ment would have a short life proposed that communication between England and India should be tween England and India should be by a railway which might fall into the hands of Russia. A more absolutely impossible proposition had uever before been submitted to the house.

arrangements have been made between Sir Hector Langevin and that the overthrow of the Tory Govtween Sir Hector Langevin and truments was only postponed till the subsidies and passed them by 2 30 meeting of Parliament, It is doubt clock. Considerable discussion

The report that the boundary railway bill of Manitoba had been vetoed at Ottawa may have been in advance of the fact; but there does not seem to be any other course than disallowance open to the Federal Government. Parliament, by a large majority, has declared disallowance to be the dutt of the office within her power, if she be suffering from excessive railway romanism of the library of parliament.
