That the human system requ in the Spring is proved by the loss of appetite, la situde or debility which comes within the exper ence of almost everyone. Aware of this it was the ence of almost everyone. Aware of this it was the custom of our grandmothers to prepare decoctions of Burdock, Dandelion and Cherry bark for the parpose of restoring the stomach to a healthy tone and purifying the blood, but the medical still of the present day finds such things ineffective and sometimes injurious. Hanington's Quinine Wine and Iron, used in conjunction with Hanington's Tonic Difiner Pills, restore the appetite. Invigorate the system and purify the blood immediately and effectually, as thousands testify who have been benefitted by their use. Beware of imitations.
