Supply, Mr. Charlton moved a introduced. resolution declaring that the House viewed with regret the great increase of burdens imposed upon the people by Customs duties, and the undue and rapid increase of expenditure. Sir Leonard Tilley said that as this was not the first time this question had come before the House he would not occupy the time of the House at any tew of the leading points to show the fallacy of statements which had been made. The hon. gentleman had a perfect right to make that compared to the Bottle, A Reward of \$500 Gold is his part of the country with reference to the state of affairs in Canada, and drove people out of the country, he had been quite as patriotic as he had been on former occasions. It must be borne in mind that the condition of Canada was different from that in the would require direct taxation were it not provided for in this manner, and the people of the Provinces are relieved from taxation to that extent. A friend of his in the United States had said to him that our taxes in Canada were as nothing compared to them, the State taxes of his own State, Texas, amounting to within a fraction of 3 per cent. of the value of his

the comparison was not a fair one.

extention of the C. P. R. and in deepening and enlarging our canals, and meter of \$500 or \$600, which was in
in the development of our resources.

The Head at the matter by the payhis claim had to remain there until he
sent details. He chose to send his de
tails only two years afterwards, in A full and complete stock of millinery cooks consisting of Ladies Hats, Bonnets, Turbans, Toques, Fur Caps, and a fine assortment of TRIMMINGS, in Velvets, Sateens, Plushes, Birds, Feathers, Flowers, Wings, etc.

Also Children's Hoods and many other provinces, which would relieve them of the taxes they would otherwise Parliament would be asked in a few The House then went into Com- 1881. The claim was then investigatof the taxes they would otherwise have to pay into the local treasury, and they had a right to feel that the committee. A discussion arose over people of this country would not be the right policy with respect to timber against the course the Government limits. Cook tried to attack the Gov't was pursuing, and that if we did not in our short life reap any benefit our children would have the advantages to hear him and after a struggle of halt which would accrue from this judicious an hour Cook gave in. After the debate had been carried on by Cock-Sir Richard Cartwright and Mr. White (Cardwell) the amendment was

> The amendment by Senator Dickey requiring a three fifths majority of the vote to bring the act into operation was lost by 25 to 27. A second amend ment by Senator Almon exempting neer, ale, cider and light wine from the peration of the act shared a like tate by a vote of 23 to 28, and a third amendnent, by Seustor McMillan, to limit the quantity of liquor saleable for medical purposes to one pint was defeated by 21 to 24. The bill to provide for the adoption of the act in

been issued was then passed as first introduced. OTTAWA, April 5.—The supplemen The House met at 3.30. After presentation of several reports. rough committee at the evening session. The Minister of Marine, on tion, stated that it was not the inten-the item of \$30,000 to assist in defray-tion of the Government to bring down Dunsmuir. Well Mr. Dunsmuir ing the expenses of sending an exploring steamer to Hudson Bay, stated that for the appointment of inspectors to partment. It is of Parliament, Blake moved in amendation of the parliament of P Government, whom, it was believed at one time, would join with the Do-

OTTAWA, APRIL 7. Mr. Houde in the absence of Mr. Onimet, asked whether the Gov't have received any communication from the Grand Trunk Railway Co., offering to place the North Shore Railway from St. Martin to Quebec at their disposal, with a view to an arrange-ment of such a nature as to enable the C. P. R. Co., to reach Quebec by that line, and if so what is) the nature of the said communication, and have the Government taken any action in relation thereto? Sir Hector Langevin-In answer to the question put by the hon, gentleman, I may say that the Government have not received any Government assisted the Provinces in their expenditure for education, roads and bridges, and other objects which would require direct taxation were it not provided for in this more new factors. The Norm Shore he had no doubt that terms might be arranged, although there was no degire on the part of the company to part with the part of the company to part with the part of the company to part with the provided for in this more new factors. The new factors are not provided for in this more new factors and as a Minister of the commendation of State. Here is the recommendation of State. for that purpose? Sir Hector Lange

one of the best caual systems in the world. It had been a common thing to compare the debt of Canada in 1867 to what it was in 1873 74, but it was not a fair comparison, as they all knew that it was largely increased by the Dominion Government assuming the debts which rested on the various Local Legislatures simply taking it.

referring to the construction of the Report of the railway statistics of must ask the attention of the House to the different cases which have been after having millions of dollars passing lusian, Zephyr, Crewel, and Scotch Fingering. An assortment of ing. An assortment of ing Customs and Excise duties, which were less per head of the population under the present administration than under the Mackenzie regime. It was ble to be a member of Parliament. Show to the House and to the country at the country at the condemned by that they are without foundation. The first case that is brought against the country and by this House. Havenue the Mackenzie regime. It was ble to be a member of Parliament. under the present administration than under the Mackenzie regime. It was quite true that estimates for this year amounted to \$32,900,000, but of this sum a large amount was to be carried over to the next. He did not teel that an action for damages for any increase in the government of Canada had been made in the last two or three years, as the large expenditure had been devoted to the rapid extention of the C. P. R. and in deep-

OTTAWA, APRIL 4.

On motion to go into Committee of Charlton moved.

Sir John stated tonight that the supplementary estimates for 1884-85 in view of the fact that Lord Derby will be brought down on Tuesday, and that on Monday or Tuesday, at latest, the bill covering aid to railways will be united States repealed.

Sir John stated tonight that the man thoroughly competent, especially view of the fact that Lord Derby received. Mr. Charlebois was the lowest by far, and the report was made by me, to the Council, the Council, have the Fisheries Treaty with the United States repealed.

Charlebois has had given notice through Lord have the Fisheries Treaty with the United States repealed.

Charlebois bas had contract; and Charlebois has had given notice through Lord have the Fisheries Treaty with the United States repealed.

Mr. Royal presented the report of the Select Committee on the navigation of Hudson's Bay. Sir Leonard Tilley introduced a bill further to amend the present tariff of duties on Custorns. The bill was read a first time.

Charlesois has had the contract, and must have affected this decision. I leave this also in the hands of the House to say whether there is any foundation for it. There is then another charge, the name of Mr. Davis.

In answer to Hon. Mr. Blake, Sir in my department since 1878, and John Macdonald said the business of therefore that is another of those the Rouse would not permit them to charges, without foundation whatever, prorogue before Easter, but he hoped The other charge is that Mr. H. J. the House would be prorogued on Wednesday, or at the latest on Thursday, of Easter week. At six o'clock the Speaker left the chair.

After recess, Sir Charles Tupper laid on the table papers relating to the proposed subsidies to railways.

That in consequence of tha: I gave him a promotion while acting as Secretary of State, whilst the present Secretary of State was away last year, and that

as stated by the hon, gentleman, but I have received a communication from the G. T. R., in which he informed me said: Mr. Speaker—I am sorry to that should it has an abstract the first said: Mr. Speaker—I am sorry to said: that should it be an object with the Dominior Government to secure control of the North Shore he had no doubt that the Morgan has subscribed or not; know nothing about it; and secondly Mr. thus the terms might be seen and no doubt that the seen and no doub road. Mr. Houde in the absence of Mr. Ouimet, asked whether it was to the knowledge of the Government that the C. P. R. Co., has adopted measures for the company to part with the day of State. Here is the recommendation of the present Secretary of State. Here is the recommendation of the present secretary of State. Here is the recommendation of the present secretary of State. Here is the recommendation of the present secretary of State. Here is the recommendation of the present secretary of State. Here is the recommendation of the present secretary of State. Here is the recommendation of the present secretary of State. Here is the recommendation of the present secretary of State. for the acquisition of the North Shore have been made against me in the Privy Council that Mr. H. J. Morgan, for the acquisition of the North Shore Railway, or that it has taken any steps for that nurpose? Sir Hector Lange the attention of the House to the materials and the attention of the House to the materials and the state of the steps for the steps of th vin—I may say that it is within the knowledge of the Government that not my property alone in the position in the correspondence branch of the house to the may pointed to the office of the chief clerk not my property alone in the position in the correspondence branch of the the C. P. R. Co., are, in accordance with their determination to obtain connection with the port of Quebec as its summer terminus, now negotiating its summer terminus, now negotiating to obtain the chiest from which the to obtain that object, from which they expect a favorable result.

OTTAWA, APRIL 8.

Sir John A. Macdonald gave notice between the way it has been it is my duty to come and explain to the House how the matter stands. Of course of the Globe. I should not have been the writer of the article or of the Globe. I should not have been newspaper I shall say nothing: I would only say that we had a great Sir John A. Macdonald gave notice newspaper I shall say nothing: I Reform party of Ontario. Though deal to show for it in the way of public that in committee of the whole he leave that to be appreciated by the works that gave an indirect value at would move that it is expedient to least, an extensive railway system and amend the Liquor License Act. 1883, House. Mr. Speaker, in these arti-

Dominion Government assuming the debts which rested on the various Local Legislatures, simply taking it out of one pocket and putting it into another. They had prior to 1873 brought in Manitoba, the North West Perritories, British Columbia and Prince Edward Island, and assumed the debts of these Provinces; whereas from 1873 to 1878 no new Provinces.

They had prior to 1873 to 1878 no new Provinces in the Icense fund as the license fund in respect of expenses may be made as others have been presented at differsuctive as others have been Prince Edward Island, and assumed the debts of these Provinces; whereas from 1873 to 1878 no new Provinces where taken in, and therefore a comparison of the increase of the public debt during that administration with decide cases the dead of the department and that the tions to that testimonial had affected my independence as the head of the department and had induced me to destroyed, if they could do it. Mr. Speaker, I debt during that administration with passed its second reading.
the present one was unfair. After Tupper laid on the table the Annual Crown, and for that, Mr. Speaker, I member of Parliament and appointed

> ed and an officer of my department, that is to say the chief architect, in his report stated that the construction of the work was attended with many

was discussed in Parliament and the advantage of Osman Digma. passed. That is the claim of Mr. Goodwin; it is a claim that no matter Mills followed, but failed to refer to who would have had it before him would have done what has been done, and therefore I wish to show that there The House met at 3.30. After the was nothing exceptional in the case. It was treated as all other cases that have come before my department. The second charge is that of Mr.
