THE UNION ADVOCATE WEDNESDAY, JANUARY 7,1903.

The WHIRL of the TOWN

WUBSCRIBERS will kindly watch the date opposite their names on the ADUOCATE each week; for two reasons : to note when they are in arrears, and help the Publishers by paying up

promptly, and when paid up to see that the date is changed. tf. We want fifty loads of green and dry

wood at the Advocate office at once. A number of connections have been made

with the town water mains and those using the water say it is of excellent quality. this act.

Be sure to remember that Jan 22nd is the date for the Canadian Jubilee Singers and plan accordingly.

The schools opened Monday morning. Miss Harriman has been appointed to. fill the vacancy caused by the retirement of pox in St. Joseph Settlement, 12 miles back Miss McLaughlan. of Grand Anse. Dr. J. C. Meahan was

A new wing for a flanger was experi- said he has confirmed the report. mented with successfully, Monday in the I. C.R. yard. The invention is by section fore man McLean.

Prof. Layton is now forming his classes studio in the Lounsbury block and arrange, had a horse or could get one. for hours before his time is all filled up.

The congregation of St. James' Church, have had placed in position a very neat and ap-to-date pulpit of quartered oak which has been filled and hand polished. The work alds greatly to the interior appearance of the church.

There has been good sliding on the various hills which was much enjoyed by the children, but they should be compelled to slide on the road and not monopolize the sidewa!ks.

Our stock of masting and colored card has arrived. Price lee. per sheet.

We have a few copies of New Brunswick Illustrated. This edition was published in Miramichi are entirely ignored in its illustrations,

The ladies of the Episcopal Congregation of Blackville, desire, through the columns of the Advocate, to thank the friends who so kindly assisted them with the supper and concert, Dee. 26th, and particularly and instead a meeting at which the Pastors those taking part in the concert.

After the Fire Department was assembled Friday sight, a hose was connected to the hydraut at the Town Hall and a fine stream | changes of advertisements must reach us of water was thrown. 'Ine power on the before nine s'clock Tuesday morning other-
