INTERNATIONAL B. B. C. ELECTED OFFICERS.

Schedule of the New League Prepared Last Night.

Season Will Open at Niagara Falls on May 20—Hackenschmidt and Gotch Preparing for Their Bout in Chicago.

At the meeting of the promoters of the new International Baseball League at the Waldorf Hotel yesterday afternoon application for admittance was made from two or three Canadian cities, but it was decided that for this season the league will be limited to the four clubs which organized the league, namely, Hamilton, London, Guelph and Niagara Falls, N. Y. George H. Long, of London, was appointed President, and William K. Murray, of Niagara Falls, was chosen Secretary. The Board of Directors elected is as follows:

Fred Paige, Hamilton.
John E. Murray, Guelph.
Paul B. Wreath, London.
Wm. K. Murray, Niagara Falls.

A constitution and by-laws prepared by Mr. Paige was adopted. A letter was read from John T. Farrell, of the National Association of Professional Baseball Clubs, inviting the league to make application for protection, and the Secretary was instructed to make application at once in section D. The league decided to adopt the Beach rule, and that each club must deposit of \$250 with the Treasurer within ten days, as a guarantee that it will play out its schedule.

Each club will have the privilege of playing exhibition games with outside clubs any time during the season, by playing a double header on the home grounds of the club scheduled to play on the day the exhibition game is played. The directors sat last evening to prepare the schedule for the season, and they finished their labors about 2:30 this morning. It will be seen that the schedule calls for Hamilton playing more home games than Guelph, as it was considered that this city will turn out in larger numbers to the games; also that Sunday games will be played at Niagara Falls.

Mr. Paige, who will control the Hamilton club, has already closed with two or three players, and he expects to receive the signed contracts in a day or two. He hopes to have his team signed up within a fortnight. He promises that a good brand of ball will be provided. The work of improving Britannia Park will be started at once. Some boxes will be built and the stand enlarged, to increase the seating capacity by 1,000.

MONTREAL AFTER PLAYERS.

Manager Jimmy Casey, of Montreal, opened negotiations with Manager Muggsy McGraw, of the New York Giants, for a first baseman. Casey has expected for the past week to close a deal with another big league team for a first baseman, but now he believes the deal has fallen through, because he has not received a letter from either club or the player, when he ought to have closed with them last Friday. Who this player is Casey refuses to say. The deal for Yeager still hangs fire, but Casey thinks that it may yet be put through.

Casey has received the signed contract of James Jones, who is signed to play centre field. Jones hails from London, Ky., and last year played with the Newark, N. J., team. He is a fast fielder and a good hitter, and Casey expects that he will strengthen the outfield wonderfully. Monday, Casey closed a contract to play two more exhibition games with the Trenton Tri-State League teams on April 6 and 7. The deal for the big league pitcher that Casey hoped to put through is now off, and Casey is still looking for other pitchers. The line-up of the Montreal team as far as the players are signed are as follows: Jones, centre field; Joyce, left field; McManus, catcher; Casey, third base; Corcoran, second base; and Louden, infield. Louden will play shortstop in case the deal for Yeager falls through. Casey will leave Detroit for Easton, Pa., on March 31st.

M'GINLEY WANTS MORE.

Charlottesville, Va., March 26.—Pitcher McGinley, of the Toronto Club, is holding out for more salary than his contract calls for, and last night wired Manager Kelley that he did not intend to report until the matter was adjusted. Kelley sent back an ultimatum to the effect that if he did not report within a week he would remain at home for the season. "This is final," said Kelley. Larry Schaffly, Jake Gettman, Jimmy Cockman and Sandow Mertes arrived today. Schaffly had a slight case of typhoid fever, but says he has fully recovered, and is in good shape. Gettman and Mertes are in fine condition, and the latter showed up splendidly in practice today. Gettman's trunk went astray and he did not put on a uniform.

VISITORS WON.

Hamilton Y. W. C. A. Basketball Team Beaten.

A very interesting and spectacular game of basketball was played at the Alexandra rink last night between teams from the Toronto Young Women's Club and the Hamilton Y. W. C. A. The teams were larger than the regular basketball teams, there being seven girls aside, the two additional ones being rovers. They were all attired in native divided skirts and "reeler sweaters," and played pretty good ball at the beginning of each period, but they were not able to keep up the pace. The visitors won the game by a score of 12 to 4. They played superior combination, and the work of Miss E. Cottrell was the feature. Some of the Hamilton girls played good individual ball, but the

Bouts at the National Tournament at Boston.

Boston, Mass., March 25.—Four of the seven championship bouts in the national amateur boxing championship tournament at Mechanics' Hall last night were won by New York boxers, while the championship titles in the three other classes were taken by Boston men. There is some question as to the awarding of the championship titles to the New York boxers, who won the final bouts, entitling them to the championship in the 115, 125 and heavyweight classes, as a telegram was received to-night from James E. Sullivan of New York, President of the A. A. U., advising the management of the Boston Athletic Association to hold back the first and second prizes from the New York men until

team work was poor—the girls did not seem to understand how to pass. The score at half-time was 5 to 4 in favor of the visitors. The scoring for the locals was done by Misses McNichol and Chilmann.

Mr. A. J. Taylor was referee and F. Arland official scorer. The teams were: Toronto—Miss L. Miller and Miss E. Cottrell, forwards; Miss C. Law, centre; Miss Archer and Miss Axworthy, rovers; Miss Bannan and Miss MacDonald, defence.

BASKETBALL TO-MORROW.

To-morrow night in the local Y. M. C. A. gymnasium, Toronto, All Saints' Athletic Club, which won the Toronto City League series without losing a game, will play the Hamilton Y. M. C.

While a good many persons had hoped for Eastern League ball here this season, the probability is now that Montreal will retain its franchise in the league for this season at least, and the only avenue of entrance for the Ambitious City is closed. However, if Mr. Paige's International League supplies as good a brand of ball as the promoter promises, the majority of the fans in this city will probably be satisfied. The league is worthy of encouragement, and if it receives the support that it deserves it may pave the way for an Eastern League team next year. Baseball used to be the favorite summer sport in this city, and there is no reason why it should not regain its popularity in a single season. Here's wishing the new International smooth sailing!

Perhaps the Windsor indoor baseball team is waiting till the tunnel under the St. Clair River is finished before playing the Hamilton champions. They will require a large hole to crawl into.

Now that Sporting Editor Long, of the London Free Press, has been elected president of the new International Baseball league, he will likely change the title of his column from "The Knocker" to "The Booster."

The birth of the International League and the assurance of a professional ball team for Hamilton has made Addie Richardson look ten years younger.

The Y. W. C. A. basketball team should get some pointers from the Y. M. C. A. team.

Toronto Telegram: Snatching for manager of the Olympic team is the latest vail that comes out of Hamilton. A subscription to the Weekly Spectator goes to the man who can suggest something Hamilton has omitted to ask for in connection with that summer excursion.

Will McDaniel, who is now training the horses of J. J. Walsh at Los Angeles, was formerly with Wm. Gerst, the Nashville owner. The Gerst horses are now trained by Jas. Blute, until recently R. F. Carman.

A BIG COUP AT BENNING.

Dr. Lee Was the Medium of a Clean Up.

Washington, March 26.—Fairly good sport characterized the third day of the Washington Jockey Club's spring meeting at Benning. The weather was pleasant, the track good, and the crowd the largest thus far of the meeting. Two favorites, two second choices and two outsiders rewarded backers, the talent breaking about even with the layers. The best race of the day was the sixth, a selling affair, at one mile and forty yards. On his good race of Monday, Animus was made favorite, although Reidmoore was a strong choice in some books, his price being shorter than that of Animus. A heavy play was made on Delphie, but she did not figure in the result. Reidmoore was in the lead until the turn was reached, when Lally closed. Animus came fast on the turn, and as the horses straightened out in the stretch he gained a slight lead. Shaw timed his ride admirably, and in the last of the furlong drew away and won handily, with Reidmoore second and Lally third.

COURT MARTIAL, \$50.

Among the horses sold in the paddock at Los Angeles on Tuesday were Court-martial for \$50, and Chippewa for \$500. Baron Escher was top price at \$625. The racers are cheap around get-away day.

ARE SIDE STEPPING.

Windsor Soldiers Seem to be Afraid of Hamilton Team.

Although the winners of the Toronto Military League series have not played the winners of any other district, it is announced that the team of the Essex Fusiliers, Windsor, is to play the Torontos in Toronto for the military championship of Ontario within a week or two. As soon as the announcement was made J. J. Brydges, manager of the Hamilton Field Battery team, which not only won the championship in this district, but also defeated the winners of the Hamilton and the Niagara military district leagues, wrote, asking that the Windsor nine play here when they come east to play Toronto. Yesterday he received a reply to the effect that the Windsor team had held the Ontario championship for a number of years and that if the Hamilton team wants to play them they must play on the Windsor diamond. The letter clearly states that the Fusiliers are not anxious to play the Battery men.

"HACK" AND GOTCH.

Two Great Wrestlers Training for Their Bout.

Chicago, March 26.—George Hackenschmidt opened his work at the Chicago Athletic Association gymnasium yesterday and will go through light practice in the club house until his bout with Frank Gotch April 3rd. Hackenschmidt announced that he always kept close to his normal weight, and that he did not need to wear himself up by any strenuous work.

Frank Gotch is working at the I. A. C., but his exercise is also of a perfunctory nature. He seems in the best of shape and indications are that the men will weigh about the same when they step on the mat.

Hackenschmidt passed the day strolling about the city after his work was over, and few noticed the unobtrusive-looking, heavily built man who was seen around the downtown district except to comment smilingly on the little green fedora hat he wears, which marked him amid the crowd.

Hackenschmidt said yesterday that he was feeling in the best of shape.

SHORT ENDS.

Little Paragraphs of Sport From Far and Near.

Vienna, March 26.—In the third round of the international chess tournament yesterday Marshall (American) defeated Reiti (Hungarian). Jolner (American) was beaten by the Berliner, Bardeleben. Schleier now leads in the tournament.

New York, March 26.—George Sutton defeated Fernin Cassignoli by a score of 300 to 143 in their 181 ball line exhibition billiard match yesterday. Sutton added to his honors last night by winning a victory over George Slosson, whom he defeated by a score of 500 to 211. Jacob Schaefer was ill and unable to play his scheduled match with Willie Hoppe. John A. Hendrick, of New York, took Schaefer's place, and was defeated by Hoppe by a score of 400 to 146.

Secretary W. H. Hall, of the C. L. A., yesterday received the nomination of C. A. Irvine, Brampton, for first vice-president, and Thomas E. Henry, Brampton, for the council.

The Maritime Province Athletic Association has identified "Claude Oren," who played hockey for the Capitals of Valley League professional, and will take Fredrickson as first vice-president, and Thomas E. Henry, Brampton, for the council.

A special meeting of St. Patrick's Boys' Union will be held on Monday night at 7.30, at the club rooms. All members are urgently requested to attend.

At the annual meeting of the Montreal Football Club on Friday several changes will be made. It is stated that at least three prominent officials will retire. These are Fred Reid, who for years was manager of the senior team; Dr. Austin Irvine, who was President, and in other capacities has worked very hard for the club's welfare, and "Jimmy" Craig, last year's captain.

KILLED SAVING HIS DOGGIE.

Little Boy Rushes on Track as Grandma Looks On.

Washington, Pa., March 25.—In an attempt to save his dog, William, the six-year-old son of Charles Waugh, was instantly killed by a Baltimore & Ohio train, near Vennola today.

The accident was witnessed by the child's aged grandmother, who had kissed him good-bye a moment before.

The lad saw the oncoming train and, believing his dog, which was on the railroad, would be killed, leaped for the animal.

The manure girl doesn't wait for leap year to ask a fellow for his hand.
