Messis, Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in hor esse, and sent to your store and purchased one bottle. She had taken it but a few days when she began to himprove, and now, after taking only one bottle, she is enjoying better health than she has for years. EXTRAORDINARY CURE OF ASTRMA !!

OF AN OLD LADY SEVENTY FIVE YEARS OF AGE.
Copy of a Letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854.

Store.) Toronto, dated the 9th October, 1854.

To Professor Holloway,
Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood; it was quite agony to see her suffer and hear her cough; I have often declared, that I would give all I possessed to have her cared; but aithough I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her; at all events I resolved to give them a trial, which I did; the result was marvellous by slow degrees, my mother became hetter, and after persevering with your remedies for nine weeks, she was perfectly cared, and now enjoys the beat of health, although seventy-five years old.

I remain, Sir,
Your obliged,

Your obliged, THOMAS WESTON. (Signed)

REMARKABLE CURE OF DROPSY. AFTER BEING TAPPED THREE TIMES.

Copy of a Letter form Anthony Smith, Est. Halifax, Nova Scotia, dated the 25th August, 185 To Professor Holloway,

To Professor Holloway,
Sir, —I desire to add my testimony to the value of
your Pills, in cases of dropsy. For nine months I
suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up
by the doctors; having become in appearance as a
skeleton, and with no more strength in me than a
child just born. It was then, that I thought of
trying your Pills, and immediately sent for a quantity,
and commenced using them. The result I can
scarcely credit even now, although true it is. After
using them for four weeks, I felt much better, and
by persevering with them, at the expiration of two
months, I was completely cured. I have since enjoyed the best of health. I am, Sir,
Yours sincerely I am, Sir, Yours sincerely

To Professor Holloway,

To Professor Holloway,
Sir,—I am happy to say, that your Pills have restored me to health after suffering for nine years from the most intense general debility and langour, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks I was cured, after every other means failed to the astonishment of my neighbours, acquaintancee, and friends. I shall ever feel grateful to you fer this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.
