#### POETRY.

#### A FRAGEMENT. Two hands upon the breast,

- And labor's done; Two pale feet crossed in rest, The race is run; Two eyes with coin-weights shut,
- And all tears cease: Two lips were grief is mute, Anger at peace;
- So pray we sometimes mourning our lot God in His kindness answereth not. Two hands to work and rest.
- Av , for His praise : Two feet that never rest Walking His ways;
- Two eyes that look above, Still through all tears; Two lips that breathed but love, Nevermore fears; So pray we afterward, low at our knees;

### SELECT STORY.

### THE PIONEERS

By J. Finimore Cooper AUTHOR OF "THE LAST OF THE MOHICANS," "THE PATHFINDER," "HOMEWARD

"I see no streets in the direction of our walk," said Elizabeth, "unless you call the | mas sport of shooting the turkey is short avenues through these pine bushes yet in use among you. I feel inclined to by that name. Surely you do not con- try my chance for a bird. Which of you

that forest before us, and in those swamps." | my fee, give me the aid of his rifle?" "We must run our streets by the compass, coz, and disregard trees, hills, ponds, the young hunter, with an emphasis that stumps, or, in fact, anything but posterity. | could not well be mistaken, and with a

father, you know -"Had you made sheriff, Mr. Jones," intouching a forbidden subject.

"and if it were in my power, I'd make "this old veteran of the forest will not be 'duke a king. He is a noble-hearted fel- so ungallant as to refuse one fire for a low, and would make an excellent king; lady." near and examine a little into the matter." threw the piece over his houlder, and During this dialogue, as the parties had said: kept in motion, Richard and his cousin | "If Billy Kirby don't get the bird before advanced some distance frome the house me, and the Frenchman's powder don't into the open space in the rear of the hang fire this damp morning, you'll see as village, where, as may be gathered from fine a turkey dead, in a few minutes, as the conversation, streets were planned and ever was eaten in the Judge's shanty. I future dwellings contemplated; but where, have know'd the Dutch women, on the in truth, the only mark of improvement | Mohawk and Schoharie, count greatly on that was to be seen was a reglected clear- coming to the merry-makings; and so, ing along the skirt of a dark forest of lad, you shouldn't be short with the lady. mighty pines, over which the bushes or Come, let us go forward, for if we wait the sprouts of the same tree had sprung up to finest bird will be gone." ith little thickets of evergreen.

to listen to the secrets of these men." "No right!" returned Richard, a little privileges."

what they say." near as distinctly to hear sounds.

came through the town, for powder; so, as Richard. anything extrawnary, that I often lose serious, for I have fifty, at this moment, my aim. Now, when I killed the she-shut up in the coops, in every stage of fat, dodged the trees in the bargain; but this bats with --- '

is a very different thing, Mr. Oliver." accent that sounded as if he took a bitter | because I so wish, that I commissioned pleasure in his poverty, while he held a this Mr. Leather-Stocking." shilling up before his eyes, "this is all the "Did you ever hear of the great shot treasure that I possess — this and my rifle! | that I made at the wolf, Cousin Elizabeth, Now, indeed, I have become a man of the who was carring off your father's sheep?" woods, and must place my sole dependence said Richard, drawing himself up into an on the chase. Come, Natty, let us stake air of displeasure. "He had the sheep on the last penny for the bird; with your his back; and, had the head of the wolf aim, it cannot fail to be successful."

"I would rather it should be, John, killed him dead; as it was ——" Them Indians can shoot one time as well in such sports as these?" as another; nothing ever troubles them. is over-anxiety about it."

and after looking keenly for a moment, father's daughter, and in my presence." in profound silence, at his companions, he replied:

not straighter than his bullet, The Mingo squaws cried out at the sound of his through the mazes of the bushes to the rifle. The Mingo warriors were made spot where most of the young men of the The eagle went above the clouds when he of shooting a christmas match, and whipassed the wigwam of Chingachgook; his ther Natty and his companions had already feathers were plenty with the women. preceded them. But see," he said, raising his voice from the low, mournful tones in which he had spoken to a pitch of keen excitement, and stretching forth both hands, "they shake like a deer at the wolf's howl. Is John old? When was a Mohican a squaw with seventy winters? No! the white man brings old age with him - rum is his

tomahawk!" "Why, then, do you use it, old man?" exclaimed the young hunter; "why will day had been a little hastened, in order to one, so noble by nature, aid the devices of the devil by making himself a beast?"

India, slowly; "yes; you say no lie, child gaged their present attention. The owner of the Fire-eater? John is a beast. The of the birds was a free black, who had smokers were once few in these hills. prepared far the occasion a collection of The deer would lick the hand of a white game that was admirably qualified to inman and the birds rest on his head. They flame the appetite of an epieure, and was were strangers to him. My fathers came from the shores of the salt lake. They fled before rum. They came to their ages. The order of the sports was ex- In Effect June 30th, 1890. grandfather, and they lived in peace; or, when they did raise the hatchet, it was bird was fastened by a string to the stemp to strike it into the brain of a Mingo. of a large pine, the side of which, toward They gathered around the council-fire, the point where the marksmen were and what they said was done. Then John placed, had been flattened with an axe, 6.00 A. M. - Express for St. John and intermediate was a man. But warriors and traders in order that it might serve the purpose with light eyes followed them. One of a target, by which the merit of each inbrought the long knife and one brought dividual might be ascertained. The disrum. They were more then the pines on tance between the stump and shootingthe mountains; and they broke up the stand was one hundred measured yards: councils and took the lands. The evil a foot more or a foot less being thought spirit was in their jugs, and they let him an invasion of the right of one of the

Eagle; John is a Christian beast." "Forgive me, old warrior," cried the but, when these were once established, he youth, grasping his hand; "I should be was obliged, by the strict principles of the last to reproach you. The courses of public justice that prevailed in the country 7.00 A. M. - Mixed for Woodstock, and points Heaven light on the cupidity that has de- to admit any adventurer who might offer stroyed such a race. Remember, John, that I am of your family, and it is now The recent marriage of J. G. H. Ber- that I am of your family, and it is now the recent marriage of J. G. H. Ber- that I am of your family. my greatest pride."

The muscles of Mohegan relaxed a litonly eight unmarried members in the A. J. HEATH, tle, and he said, more mildly: federal parliament of Canada.

"You are a Delaware, my son; your words are not heard - John cannot shoot." "I thought that lad had Indian blood in him," whispered Richard. But the poor fellow shall have two shots at the turkey, if he wants it, for I'll give him another shilling myself; though, perhaps, I had better offer to shoot him. They have got up their Christmas sports, I find, in the bushes yonder, where you hear the laughter.

"Hold, Cousin Richard" exclaimed Elizabeth, clinging to his arm; "would it be delicate to offer a shilling to that gentle-

"Gentleman, again! do you think a halfbreed, like him, will refuse money? No, no, girl, he will take the shilling; ay! and even rum too, not with standing he moralizes so much about it. Billy Kirby is one of the best marksman in the country; that Aug. 17, 1889. is, if we except the — the gentleman."

Pardon those erring prayers; Father, "Then," said Elizabeth, who found her strength unequal to her will, "then, sir, I will speak." She advanced, with an air of determination, in front of her cousin, and entered the little circle of bushes that surrounded the trio of hunters. Her appearance startled the youth, who at first made an unequivocal motion toward retiring, but, recollecting himself, bowed, by lifting his cap, and resumed his attitude of leaning on his rifle. Neither Natty nor Mohegan betrayed any emotion, though the appearance of Elizabeth was so entire-

ly unexpected. "I find," she said, "that the old Christtemplate building houses, very soon, in will take this money, and after paying "Is this a sport for a lady?" exclaimed

Such is the will of your father, and your rapidity that showed he spoke without consulting anything but feeling. "Why not, sir? If it be inhuman, the terrupted the lady, with a tone that said | sin is not confined to one sex only. But very plainly to the gentleman that he was I have my humor as well as others. I ask not your assistance, but" - turning to "I know it, I know it," cried Richard; Natty, and dropping a dollar in his hand-
