MARSHALL BROTHERS.

CROSBIE'S Here and There. Campbell's Milk Shakes

Pull With the Government.

One member of the Executive has a good, "pull," a strong "pull" and a full position held by these Ministers: that of Directors of a Company under large contractual obligations to the Colony.

With such an opportunist, as His Excellence, and the attention of the public to the lual position held by these Ministers: that of Directors of a Company under large contractual obligations to the Colony.

With such an opportunist, as His Excellence, and the attention of the public to the lual position held by these Ministers: had but a few years in which to make his pile and he set about it vigorous-ly and earnestly. "After me the I, as well as Morris and Morison will

torious. Special reference is hardly needed to it. Everyone knows what a fine price, no less than \$2,200, was paid for the Marconi spars which ed for a small sum.

al contracts made with his company. of which the Hon. Donald Morison, the Attorney General is a co-Director with

Mr. Morison has made himself famous in connection with another company, the Anglo Development Co., which received so many million acres of land from the Colony. In fact Mr. Morison's land transactions almost but not quite, staggered Governor

Fogo service he gets \$19,000 for 38 weekly trips and for the Fortune Bay service \$20,000 for 52 weekly trips. When it is remembered that the Fogo service pays remarkably well on passenger and freight traffic it will be seen that Master John and Master be seen that Master John and Master Donald, two wily members of the Ex-ecutive, have received a good thing in these coastal contracts.

and but a few years in which to make a but a few years in which to make is pile and he set about it vigorous and earnestly. "After me the eluge," said Master John, to himself, of the Vice-Regal chir is, we are sure, other places have been received. nore in sympathy with the best ideals of British statesmanship, which Governor Williams claimed he desired cowardly to enforce.

Before we close with Master John Crosbie, we ask the public to note the way in which his brother Walter Crosbie is allowed leaves of absence. Whenever Walter, who is a well-days. This was at the beginning of his career, It was followed by the coastloliday, he has but to apply for it. service, for which he receives \$60 per month, but it would puzzle that Philadelphia lawyer, the Premier is so lond of referring to, to discover where his duties are and when he does them nis duties are and when he does them

holiday on the Labrador, last sum- ceipt of (through mail) five dollars ner, has been granted another this conscience money. winter, presumably to go to the ice Last winter he was also at the ice But according to the Colonial Secre-But to return to Master John Crossobie. Having sold his spar at a fair, a very fair profit, he set about making his coastal contracts. For the Fogo service he gets \$15,000 for 38 weekly trips and for the Fortune Bay

Governor Williams deprecated the action of Ministers of the Grown being interested in contracts with the recently pitchforked into a new joint of the contracts with the recently pitchforked into a new joint of the contracts with the recently pitchforked into a new joint of the contracts with the recently pitchforked into a new joint of the contracts with the recently pitchforked into a new joint of the contracts with the recently pitchforked into a new joint of the contracts with the recently pitchforked into a new joint of the contracts. Government but condoned it, because at a salary of \$600. The Morris Government in this respect goes on the

some precedent existed. But no precedent for such a glaring case as this can be presented. It was not easy to "stagger" Governor Williams, though some of Morison's actions came pretty near it.

We wonder what His Excellency Governor Davidson, thinks of this conduct of two of his advisers. He may be unaware of it. If so President Coaker might call his attention to his original obscurity.
