Forward the Light Brigade!

No man was there dismayed
Not though the soldiers knew
Some one had blundered.

The stirring events of that famous battle, Balaclava, October 25th, 1854, are vividly portrayed by what is probably the most stupendous war film ever attempted.

**The Charge of
The Light Brigade.**

(Produced by the Edison Co'y.)

The greatest care has been taken to ensure that every item of this wonderful series of pictures is historically correct, which portray in a remarkably realistic manner the principal phases of the actual engagement.

When shall their glory fade
O, the wild charge they made
All the world wondered.

A continuous panorama of especially exciting events from our history which no none should miss.

To be Shown at the Nickel
Wednesday & Thursday,
August 27th and 28th.
