## Cunard Liner Andania Lands Her Captain

The Cunard liner Andania, which had advised that she was making for this port on Wednesday forenoon, arrived off the Narrows at 6.15 p.m., and by 6.45 was moored in the stream. She was met off the Heads by the Furness Withy tug, and Pilot Malone brought her safely into port. Dr. Arch Tait, the Port Doctor, and Dr. Fox of the General Hospital staff immediately boarded her, and were followed by the agent of the Furness Withy, in the tug Mouton. She immediately returned to the King's Wharf in order to take off the stretcher bearers, but it was not until 10.20 p.m. that Captain F. E. Storey, R.N.R., was conveyed ashore. The ambulance was waiting and he was immediately taken to the General Hospital, where all arrangements had been made for his admission.

Leaving Halifax on Monday night the Andania ran into the storm off Halifax in which the Japanese steamship Raitaku Maru and her crew went to their doom, and Captain Storey, who was all night on the bridge, contracted a chill which resulted in a severe attack of diabetes, from which he had been suffering for some time. Everything possible was done for him by the ship's surgeon, Dr. Morrin, but unfortunately no insulin was available and it was not until late in the afternoon that Dr. Frazer, Professor of Medicine of Bart's Hospital, London, who was a passenger, and who had also been in attendance on the captain, found a supply of insulin in his effects and was able to relieve his sufferings. After arrival in port, and with fresh insulin available, it was hoped that Captain Storey's condition would improve, but as there was no indication of this, it was decided to bring him ashore. The ship sailed again at 7 a.m. yesterday for Hamburg via Plymouth and Cherbourg. She is loaded with wheat for the former port and has on board 292 first and 108 second class passengers. Captain F. E. Storey, R.N.R., is a member of the Royal Naval Reserve and holds a Captain's rank in the service. Only 48 years of age, he is one of the youngest captains holding this rank in the service. He has previously commanded several steamers.

The Chief Officer of the steamer, who is now in command, C. G. Hilt, who, R.N.R., is also a member of the Royal Naval Reserve, holding the rank of Lieut. Commander. He will be in charge during the captain's illness.

## Llewellyn Club

### ANNUAL FLIPPER DINNER.

The annual flipper dinner of Llewellyn Club, was held at Canon Wood Hall on Wednesday night, and proved to be one of the most successful in the history of the club. Rev. Mr. Elliott, President of the club, was in the chair and by his genial manner made everyone feel perfectly at home. The flippers were cooked and served in a splendid manner and this was best known by the hearty manner in which they were partaken of. Flippers are always considered a choice dish, but flippers cooked as these were, are a delicacy. The ladies who were responsible for them, were well deserving of the praise showered on them, by those present.

The guests of the evening included Hon. W. S. Monroe, Prime Minister; Hon. W. J. Higgins, Minister of Justice; His Honor Mayor Cook; Mr. J. C. Puddister, M.H.A., Vice-President M.C.L.I., and many others.

After the inner man had been fully satisfied, the Chairman opened the toast list, expressing his pleasure at such a large gathering and bidding everyone welcome. He read a letter from Mr. C. E. Hunt, Vice-President of the club, who was unable to be present owing to have to go abroad. Rev. Mr. Godfrey was also regrettably absent, suffering from a cold.

The toast list was one of unusual merit, and the speeches were of a splendid character, breathing a fine spirit of patriotism and good fellowship. Many things of public interest were discussed very interestingly, and those who had the privilege of hearing them derived much good as well as pleasure from the addresses. The musical programme was excellent, the singing of the male quartette of the Cathedral Choir, being a particular attraction. Mr. Delmar's songs brought much deserved applause, as did the recitations of Mr. McLeod.

The following is the toast list:—

"THE KING—Prop. The Chairman; "God Save The King."

ST. GEORGE'S DAY—Prop. H. E. Cowan; "Rule Britannia."

Songs—The Male Quartette.

LLEWELLYN CLUB—Prop. Hon. W. S. Monroe; Resp. Rev. Mr. Elliott.
