SATURDAY EVENING, JULY 19, 1873 Town and County News.

Arrived in England.—We learn from a cable despatch that Mr. Robert Bell, of the firm of W. Bell & Co., Guelph, arrived safely in England on Wednesday

The pic-nic of the Elora and Fergus Episcopal Sunday School came off at Kinnettles on Tuesday afternoon, and proved a very pleasant affair. The day was not too warm, the grove was all that could be desired, and the refreshments were bountifully supplied.

NE. CAB.—As will be seen by adver-tisement in another column, Mr. John Ewing has purchased a splendid cab, and is prepared to convey persons to and from any place in town at the usual rates. Give Rwing a trial.

MR. HENRY HAMILTON, while engaged drawing up the rafters at a raising at Mr. Gilrees, 16th concession Mary-borough, last week, fell from the top of the building to the ground, a distance of 34 feet. Four of his ribs were broken. With care he will soon recover.

OFFERING A BONUS.—At a meeting recently held at the village of Luther, a proposition to grant a bonus of \$20,000 to the Credit Valley Railway Company, on condition that the company would construct a branch road to that place, was approved by the ratepayers. The Toronto, Grey and Bruce Railway does not appear to give the people of Luther all the railway facilies they require; hence the desire for another road.

SHEEF STEALING.—There is a rumour afloat, respecting the stealing of sheep in Peel and Maryborough and selling them to Mr. Peter Robb. Whether the rumour be true it is not in our power to say at present. However, Mr. Robb has purchased some sheep from a young man living on the 6th con. Maryboro, which have since been claimed by other parties who have taken possession of them. The person censured is one k. Donnelly near Moorefield, who it is reported, is now in Guelph jail. Forty or aftraheep are said to be disposed of in this way.—Drayton Enterprise.

LAYING A CORNER STONE.—On Tuesday evening, the 15th instant, the Rev. Thomas Wardrepe, of Auchth assisted by the Rev. G. Brown, of Worgester, and D. Davidson, of Langside, laid the cornerstone of a brick church, 42 by 65 feet in size, to cost \$8.000, being erected by one of the congregations of the Canada Presbyterian Church, in the village of Teessysterian Church and the village of Teessysterian Church water. There were nearly four hundred persons present. After the ceremony Mr. Wardrope delivered a lecture on "Canada our Country," in the Town Hall, which was well attended, a nice addition being made to the fund of the building committee.

Temperance Mentino.—A meeting was held last (Friday) evening in the Good Templars' Hall, under the auspices of the Sous of Temperance. There was a good attendance. Mr. Wilkle decupied the chair. Rev. Messrs. Howie, Wardrope and Wood each addressed the meeting, strongly advocating the cause of temperance and urging those engaged in the noble work of endeavoring to stem the tide of intemperance to renewed activity, and ultimately success would andoubtedly crown their labors. There was an excellent choir present, who gave some choice places in an admirable style. The proceedings throughout were of a most interesting character.

MORE PICNICS.—Yesterday the annual pic-nic of the teachers of the Congregational Sabbath Schoolcame off in pleasant semi-aquatic fashion. The party assembled at the Dundas bridge, and embarked in several boats, among which was Mr. Arms' steamer. A pleasant time was had up at the rocks, with abundance of good things, and the party returned the same way that they went. The annual pic-nic in connection with Knox Church also came off yesterday in Mr. Mitchell's grove. The ladies of the congregation had provided a great store of delicacies, which were duly discussed and appreciated. The usual picknickers programme was gone through, and everything passed off happilly.

This is the largest vote—201—ever known to have been polled in the East Ward. At the close of the day's proceedings brad speeches were made by the two candidates, and a vote of thanks was given to the Returning-officer. Much demonstrative joy was, of course, manifested by the supporters of the winners. Three cheers for Her Majesty wound up things in correct style. Mr. Davidson's victory is undoubtedly due to his having been in the field a week before his opponent, and having secured promises from rrany electors who were not aware that Mr. McCrae would run. The latter's friends, however, feltsanguine of success.
