Mad Hatters Got Short End o 3 to 1 Score—Game Was a Good One

Regina, June 11.—Regina broke its losing streak today by defeating Medicine Hat in a good game of ball 3 to 1. Burgess and Brown both twirled win-ning ball, all the runs being scored on errors. After the first two men had been set down in the initial round, the Red Sox scored the winning runs, when Snider, a pitcher, subbing at second, booted Hill's grounder and then threw badly to first. Two hits followed for a pair of runs. Baker's double, Mc-Namara's error, and a double steal accounts for Regina's other run-The Hatters secured their only tally on errors by Kruger and Almquist, The Regina 200 100 00x—3 b 2 Batteries: Brown and Borliski; Bur-

CALLIES DEFEAT CITY IN 200 FRIENDLY GAME

Caliles and Postoffice met to train together last night at Victoria Park an dthe result was a win for the Callies by 4 to 1. Trey Williams got onto his shooting in style in the second half, and he has now returned to form and he has now returned to form, and he has now returned to form, his total bein ghree goals. The Posties played hard all through, the most canspicuous men being Murray. Jones. Naylor and Beveridge. Of course, some of the best men were not out on either side, but the game was enjoyably watched by a good crowd of spectators. Feeney, whi played inside right for the Callies showed himself a fine player, and his partner, Ketchen, also proved some class. Matheson filled a players place at centre forward, and the left wing was made up by Williams and the Rangers outside right. Mitchell Maclean was out in rampant form as usual, and the ruddy Mitch is certainty playing some game this year. He is tireless and is undoubtedly the best player playing in any position in Calgary today. Harry Suton was in the Callie goal for practice, and although he did not get much to do, he was very safe. The Postoffice with their full team out will be a most formidable opposition to the aspirations of any team, and have a really good bunch together. Mr. Lawson had charge of the game.

TEN RUNS MADE IN ONE INNING IN GLASS A A

Eastern people who attend the Western Canada league games are very much inclined to tell how much superior the grade of baseball is in the east then here, especially when a lop-sided score decides a local contest. Yester-day afternoon in the American association a game was played between Indianapolis and Colum-bus. Columbus won by the score of 24 to 13. If this had happen-ed in the Western Canada leanow much superior the grade of ed in the Western Canada league there would have been a big howl. In one inning 10 runs were made by Columbus. The American association is a Class AA league which is just one step lower than the majors. The game was played in Indianapolis. The following is the score by innings and the batteries as they came over the wire:

Indianapolis 2410 40011—18 12 4
Columbus ..380100002—24 19 3
Batteries: Kaiserling and Columbus ...180100002—24 19 3

If you look at the scores of the
American association you will
find that four teams scored 12 or more runs apiece. Toledo scored 12 against Louisville, St. Paul scored 12 against Milwaukee, Indianapolis scored 13 against Columubs, and Columbus scored 24 against Indianapolis. Some scoring, eh?
