Cameron writes: "I was confined to my bed with inflammation of the lungs, and was given up by physi-cians. A neighbor advised me to try Dr. Thomas Eclectric Oil, sating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than half a bottle cured me; I certainly believed it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me any good.

DR. T. SNYDER.

Ridgeway, Ontario. MELLIN'S FOOD is not a patent medicine or "cure-all." It is a preparation which, when mixed with fresh milk, makes the nearest approach to mother's milk. It is made according to the principles first laid down by Baron von Liebig, and is prescribed and indorsed by physicians the world over. It is fitted to the physiological condition of the infant, and contains sufficient nourishment and the right kind of nourishment to satisfy the child's hunger, and at the same time provides for the growth and development of the body. It produces firm flesh, pink cheeks, sound limbs, and healthy bodies that defy disease. Write to us (a postal will do) and we will send you a sample of Mellin's Food free of all expense.
