R. W. SCOTT, Secretary of State. Ottawa, Sept. 28, 1897.

DROPOSALS ARE INVITED FROM Canadian artists only for a statue of Her Majesty the Queen, which the Government of Canada purpose to erect on the terrace in front of the Parliament Buildings at Otlawa. The models, which should be of plaster or similar material, and not less than one foot in height, should be forwarded to the Minister of Public Works, on or before the ist day of Jenuary, 1898.

The general design of the statue is left to each competitor.

R. W. SCOTT, Secretary of State. Ottawa, Sept. 28, 1897.

Improbability of Uniting the August show that only ten vessels, aggregating 8,000 tons, were launched, as against an average of 25 vessels with an average tonnage of 45,000 tons. British subjects in Brussels protest against the new Belgian law, compelling foreigners to serve in the civil guard. The British Government will be asked to take steps in the matter. It is asserted in naval circles in Copenhagen that the torpedo boat, commanded by Prince Carl, nearly fundered in a storm while returning from the jubilee festivities of the King of Sweden. The details are kept a strict secret.

### THE SPANISH CRISIS.

Little Chance for the Conservatives Sagasta Likely to Take Control of the Government.

Madrid, Oct. 1.-The queen regent has become convinced that it is impossible to reunite the Conservatives in order to form a strong ministry. Therefore, she has accepted the resignation of the ministers. The opinion thority that after the expiration in is general that Senor Sagasta, the Libretaries and directors-general of the

departments have also resigned. The consultation of statesmen and generals is likely to last until Sat-Stuttgart, who has been experimenting urday. Senor Elduaven has recommended a Liberal Cabinet should the Conservative division continue. prospect of Senor Sagasta returning to power is well received, in political and financial circles, and the decision shown by the queen regent in hastening the solution of the crisis is much praised.

A Washington dispatch says: Diplomats familiar with Spanish affairs say the conditions point to one of two results, namely, the complete collapse Britain's revenue for the six months just ended was £49,597,448. This is a net increase of £2,093,345 upon the revenue for the corresponding period revenue for the conservative regime, which has been responsible for the Cuban policy, and its succession by a Liberal Cab<sup>±</sup> inet with pacific and conciliatory tendencies toward Cuba, or else a transiof the Conservative regime, which has statement that Germany threatened to TISER Job Department.

# POLITICS IN A CHURCH

the Liquor Question Discussed.

Toronto, Oct. 1 .- Last night Rev. Mr. Chown, the pastor of Wesley Methodist Church, gave a lecture at prayer meeting hour, and the subject of his discourse was "Temperance." When the lecture had concluded an informal discussion began, and in that debate there was a moral. That moral was that in mixed audiences, where men have strong political tendencies, prohibition is often too near the mark to be considered at any great length. the two countries. The Dingley tariff had fulfilled their promise," said ex-"If only the Ontario government "What promise was not fulfilled;"

"They promised prohibition," said "Where?" "When?" and many other then there was an interest quite as in- ago. tense though of a different nature from the minister's lecture.
