THE BLYTHE CASE

Deaths in the Gulf Hurricane Will Approach Hundred and Fifty.

Toronto, Sept. 24.—The court of appeal has refused to grant an order directing Mr. Justice Riddell to state a ease for the court in the matter of sentence to be hanged Oct. 1 for the murder of his wife at Agincourt, Ont., The application was made by Mr. T. C. Robinette, K. This point, not, however, having been proved at the trial, as Mr. Robinette admitted, the court of appeal finds the question of the man's condition is not properly before it, and holds the case is one in which no irregularity should be permitted.
