Charles Mitchell was elected chairman of the board of health at the inaugural session of that body last

Routine business chiefly claimed attention. Inspector J. M. Young and City Clerk Sam Baker were delegated to meet Dr. McCullough of the provincial board of health, with respect to certain proposed changes in the olumbing bylaw. Inspector Young reported that his department had secured \$3,781.40 in

fees, etc., throughout 1923. A complaint concerning the sewer age connections on Grey street, west of Richmond street, was referred to City Engineer Near for a report. Relief Inspector W. J. McCallum will be directed to issue no licenses in future to owners of ice cream booths until sanctioned by the health

## Horticultural Society, who was re-elected last night as president for **BULB EXCLUSION** the event if it developed that the city had to wait ten years for the money it would serve as a guide post for the council not to pass resolutions "This resolution looks like bad busiess to me," Ald. Greer stated. "I

Society Also Protest Manner of Cutting Trees in London.

and he goes further and states HARTRY IS PRESIDENT

ne council?" asked Mayor Wenige don Horticultural Society last night "He was never asked for it," re-onded Ald. Greer. in the public library, at which officers for 1924 were elected, a motion pro-posed by W. E. Saunders was passed aldn't collect from the company unanimously urging the incoming the Rectory street payment," in- directors to ask the federal government to reconsider its recently in-troduced legislation on the prohibition of the importation of all roots, bulbs Has the city solicitor always to asked for his opinion?" questioned and plants into Canada.

the motion said that under present legislation it would cost about \$3 to import a fifty-cent lily bulb from England, as every root must be imported by express or freight. In a general discussion it was agreed that asked for a bond and the first pay- federal legislation in force preventing nated between the company and the necessary and contrary to the best municipality, in accordance with the interest of growers in Canada.

Later in the evening a strongly-

Greer's amendment that they voiced objection was raised to the await a discussion with the city solicitor was carried, however, after much more debate.

way in which the trees of the Forest City are being pruned or trimmed this winter. "Butchered" was the Whether the city secures benefit in proportion to the amount expended tice now in vogue whereby the trees (\$2,500) from the chamber of commerce, as it would refer to the "industrial area" was another question to claim attention, Ald. Allan Towe voicing an opinion to the contrary. Recommendations coming over from and that that was the only thing con 1923 that the members of the indus-sidered by the tree trimmers. Th trial area committee take over additional duties pertaining to all industrial matters were referred to that of a thoroughly experienced man.

## Sees Little Interest.

W. E. Saunders said that it was submitted wry difficult for the public utilities hat the council should seek co-operacommission to get men who were tion from the businessmen of the city and that they should not take everything away from the chamber of commerce.

Ald. Allan Towe stated that he had head market to get hen who were really interested in the work, as it was in the nature of a relief scheme. He preferred that all unnecessary trees be removed so as to allow the head market to their full that the head market to get hem who were really interested in the work, as it was in the nature of a relief scheme. tion from the businessmen of the city Ald. Allan Towe stated that he had hard maples to grow to their full size in the course of time. It was pointed out that this would not help the street lighting system, to any

A vote of thanks was passed to Mrs. Marshall, who lives north of the Kennels, for her generous offer of a four-acre field on her farm for the use of the society to use as a peony test bed. The society was not sure whether it would be able to take advantage of this offer or not. H. Hartry, re-elect president, in his

small contribution, in any event, he felt, in proportion to the money furaddress said that the chief aim of the society was to spread education in shed by the members of that ormatters horticultural. The system of giving away premiums to members During the discussion Ald. Hayden was only a secondary item of the work of the society. He deplored a fended the record of the chamber. while Ald. Towe maintained the op-osite opinion. Discussion was halted certain lack of interest and enthusi asm amongst members in the last when the proposal was sent back to the industrial area committee. year, stating that the peony show at the Western Fair Buildings had not been as well attended as it deserved. Ald. John Greer's proposal to eliminate the special city council It had entailed a great deal of work the part of the executive.

## Further Education.

Education along horticultural lines was furthered, he said, by the distribution of the Canadian Horticulturist last year, and the Canadian Grower this year, by meetings and speakers, by shows, and by giving of premiums. three-man committee, comprising Ald. Allan Towe, Chief of Police own premiums, and had at present in beds, 700 special shrubs, 1,000 gladioli, 1,000 peonies and 10,000 other bulbs of various kinds.

The officers for 1924 are: President, I. Hartry; first vice-president, J. McLeod; second vice-president, K Casselman.

The following directors will serve another year; T. C. Fleming, W. E. Saunders, J. Metherall, W. F. Brown and L. E. McGugan. The following are elected for a two-year term: W. H. Liddicoatt, E. Cook, E. Davis, S. T. Hudgell and J. Detweiler. W. Lawrence and H. J. Childs, who is secretary of the society, will be the representatives to the Western Fair Association, and H. Hartry and W. E. Saunders will represent the society at Toronto at the Ontario Horticultural Society's meeting.

### STOCK COMPANY PLAYERS MARRY AND ELOPE TO N. Y.

Hamilton, Jan. 14 .- Herbert Ashton, Jr., juvenile in the Temple Stock Company, which has been playing here for some time, and Miss Lila ts meeting today, reached no de-design, nor did it appoint a mediation committee. The London members of the council simply resolved them-the selves into an emergency committee. they left by Rev. Henry Roche and wired Miss McLaren's mother from New York informing her of the event.

NASH TROPHY DOUBLES.

B. Whitehall and M. Smith, holders of the Nash Trophy, had no trouble in defending the cup against R. Warden and W. Leedham on Saturday night. The holders defeated the challengers by a total of 371 pins. The star of the evening was M. Smith, who turned in a fine average of 247 for five games. J. Howe and P. Fox meet the holders on Tuesday night at 8:30, and if the challengers repeat some of their past performances it is quite likely that the cup will find a new home for an indefinite period. In any case the fans can be assured of a better exhibition than that given by the former challengers. The scores:

# We Offer a Test Free

# In Ten Days

The results will amaze you, if you fight the film on teeth

Millions of people have found new beauty, new protection, new delights, through this test we offer It is time you knew these benefits if you don't know them now.

are results you need and

Let this test prove them to

## Film and offense

want.

Film on teeth is unclean. It mars beauty. At first that film is viscous. You can feel it now. With ordibrushing, much of it clings and stays. Soon it discolors and forms dingy coats.

Film also holds food substance

which ferments and forms acid. It holds the acid in contact with the teeth to cause decay. Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea. Few people escape these film-caused troubles unless they fight

Dental science, after long research, has found two film combatants. One disintegrates the film,

Protect the Enamel Pepsodent disintegrates the film, then removes it with an agent far softer than enamel. Never use a film combatant which contains harsh grit.

10-Day Tube Free

its meeting today, reached no de-Mail 10-Day Tube of Pepsodent to

the council simply resolved themselves into an emergency committee, which was not authorized to act in a mediatory capacity, but to be in readiness for any developments.

traffic committee and appoint a "traffic commissioner" was defeated Pepsodent also incorporates after a sharp debate. Upon the other hand, the mayor's proposal to main-tain the traffic committee, similar to other principles, learned from the 1923, was also rejected. The committee compromised and appointed, upon suggestion from Ald. Shaw, a

value of certain fruits in the diet. It multiplies the alkalinity of the saliva, also its starch digestant. Those are Nature's agents for combating acid and starch deposits. dent twice daily gives them Robert Birrell, and Superintendent Hummiston of the street railway manifold effect, just as eating fruit would do. The peoples who conompany. stantly eat fruit are markedly im-

#### mune to tooth decay. Watch the changes

the other removes it without harm-

ful scouring.

Many careful tests proved these

methods effective. Then a new-

type tooth paste was created to apply them daily. The name is

Pepsodent. In seven years it has

brought to homes the world over

Also fruit effects

a new dental era.

Quick changes come when Pepsodent is used. They will surprise and delight you. Send the coupon for a 10-Day Tube. Note how clean the teeth

feel after using. Mark the absence of the viscous film. See how teeth become whiter as the film-coats disappear. Then you will realize how much this new method means to you and yours. Cut out coupon now.

Only one tube to a family.
