"A Weak Man Is Only Half a Man.

To HIM THE JOYS AND PLEASURES OF this world are dull pastime. His sense of enjoyment is dulled by a weak, depressed nervous system; his intellect is slow, his memory poor. It is evident that he lacks vital force, which is electricity. He is easily subject to disease, because his circulation is weak and the body cannot throw off the impurities which gather in the kidneys and stomach.

DR. SANDEN'S ELECTRIC BELT Is Nature's cure for weak men. It saturates the body every day with a volume of animal magnetism and restores the power of the nerves and all vital parts. Its cures why, there is not a town in this State which knows not a cure by this famous belt. "The Belt I received from you I must say has done me a great deal of good. I feel stronger to-day than I did three or four years ago. My flesh is firm and strength increasing. The pain wearing your Belt." writes malt, Vancouver Island, B.C., March 9, 1897,
