NELSON.

Nelson, Nov. 7.—Yesterday Mr. J. M.

Smith, of Rossland, representing the but would not work in a school build.

Merchants' Bank of Halifax, was in Nelson. It is stated upon the best of bideux, but there will still be a council but would not work in a school building. Some other reasons were also pointed out why the system did not work properly, and stating that an instrument to test the air pressure was on the way from Toronto when he would be able to make a full report. The letter was filed.

A refund of money paid on account of a tuition fee charged a pupil who had not attended school was authorized to be made.

A request from Fidelity lodge of the Good Templars for the use of a room at the Spring Ridge ward school for meeting purposes was then taken up and on motion resolved that a spare room be rented to the lodge as desired at \$2 per month.

A request that his salary should be increased by at least \$5 per month was

at \$2 per month.

A request that his salary should be increased by at least \$5 per month was made, by the janitor of the North ward school and for the winter months or forest, \$800; animals and their produce, them, and one conveyance can be used school and for the winter months of lorest, 9000, animate during the lst of April it was decided to \$202; agricultural products, \$20; manually april 170 pay the extra \$5 per month.

Other requests for "more" came from Miss Alexis Russell, of the Central school, who stated that she had to take charge of two divisions, and from Jno. J. Stevenson, Victoria West, who pointed out that he had taught for four years an had not received any tangible proof that he had earned the approval of the board, he being the lowest paid male with one exception now on the staff. Supt. Eaton thought that there were some inequalities in the salaries paid

and a proper scale might be devised to remedy this.

which had been submitted to Dr. Pope, was read, and proposing that a test be made of it. This was laid on the table

for further consideration.

The school attendance during the nth of October was:

age attendance last month was 64

Klondyke is doing for us." usual accounts for the past month amounting to \$178.31, which were ordered paid

dered paid.

Additions and alterations to some of the school buildings and grounds was then taken up, whereupon Trustee Yates stated that with respect to trees for the

North Ward ground the lot had been filled in with clay, and it would be necessary to excavate the clay and fill in with soil.

The repairs committee were given power to attend to certain small matters The Canadian Premier Refuses to A new supply of black boards was decided upon as a necessity, and many of those now in use have proved to be de-

The trustees then went into committee with closed doors, and it was decided to rescind the resolution passed on Sep-tember 25, 1893, granting teachers permission to attend the meetings Its not the price you pay for your Clondyke outfit that makes it good, but rather the getting together of the proper goods in the right quantities, that makes your outfit complete.
