TOWN TOPICS

STILL CROSSING
The ice is still thin and teams are crossing as usual.

TO GIVE DANCE
The bachelors of the town will give a dance in the Masonic Temple on Friday evening, April 29th.

IMMIGRANTS
A train of immigrants passed through here Monday, bound for the Canadian West.

PROFESSIONAL
Dr. McCully will be at the Waverly, Campbellton, where he may be consulted, Wednesday, April 21st.

DAMAGED EXPRESS GOODS
Mr. H. C. Creighton, superintendent of the Canadian Express Co., St. John, was in Montreal Sunday morning after the express goods damaged in the recent wreck at Chaussegas, some of the goods being in bad shape.

SILVER RECOVERED
A shipment of silver from Montreal to the London mint was lost for some time in the Maritime wreck at Chaussegas. Friday, but was eventually found buried in the snow. There was about \$500 worth.

TRUCK IN BAD SHAPE
The situation of the Canada Eastern branch of the I. C. R. is still serious, the water being a foot over the track in some places. At McNamara's the track is in bad shape and passengers have to be transferred.

DALHOUSIE

DALHOUSIE, April 19.—The only topic of conversation here is the Town Election. This is the first time since our town was incorporated under the town act that a contest has taken place. W. S. Montgomery has been elected mayor and every one of the old board, and themselves opposed by a full citizen's ticket, headed by R. P. O'Brien, candidate for the office of Mayor. Great interest is being shown in the contest by every one. There is no doubt a large vote will be polled. Both parties are confident of success. The vote will be a very close one with chances in favor of the citizens ticket.

Word has been received here from Mr. John H. Kelly, M. P., P., that the Quebec Government has notified the I. C. R. that it will not be allowed to operate in the province in preparation to pay \$35,000 for the use of the I. C. R. in the province.

A movement is on foot to organize a new agricultural society in Dundas. The speakers will be for the spirit of enterprise of farmers in that section. It is to be trusted that the members of the new society will see to it that the money of the society is expended towards the improvement of stock.

There is no truth in the report that was circulated recently that one of the complete pieces of the Dal River Bridge had settled. Mr. Wm. Fraser was instructed to examine the work carefully and report. He stated that there was nothing wrong in the work.

Miss Louise Bache's millinery opening on Friday and Saturday last was a great success in every way.

BRUCE'S CLOTHING!

From \$15. to \$20. isn't too much to pay for a good suit, but it is a lot to pay for a poor one. To make sure of getting a good one, buy where none others are kept. We keep only the best Canadian markets produce.

See our window display of bright and snappy things for the Spring.

Alabastine
For Permanency

When you decorate with Alabastine you do so for permanency as well as superior artistic effect. Unlike kalomine, Alabastine does not rub off or crack. Unlike wall paper, it does not peel off or decay. Alabastine, you see, is a hygienic cement, made from gypsum rock. It gradually hardens and becomes part of the wall itself. If, at any time, you wish to redecorate with a different style, simply apply Alabastine over the Alabastine coating upon several years before. Call and let us show you tint cards. Get a copy of "Home, Healthful and Beautiful," the handsome book of stylish wall decorations. Price of Alabastine is 50c. for 5 lb. pail.
